Edgewood Homes HOPE VI

Description

AMHA received \$20,000,000 of FY2005 HOPE VI revitalization grant to replace the obsolete Edgewood Homes public housing complex with new mixed-income residential community. The first rental townhouse development phase (Edgewood Village 1) was completed in 2008. The second rental development phase (Edgewood Village 4) was substantially completed and fully rented in 2010. Construction began on the third rental phase (Edgewood Village 5) in the winter of 2010 and completion is planned for the winter of 2011. AMHA anticipates lease-up of Edgewood Village 5 by Spring of 2012. The Housing Authority submitted its Designated Housing for the Elderly Plan for the Edgewood Village 5 public housing units to HUD in 2010 and received approval on 9/15/10. AMHA also submitted an Edgewood HOPE VI Revitalization Plan revision to replace two homeownership development phases (Edgewood Village 2 and Edgewood Village 3) with additional rental townhouse development phase due to the distressed homeownership market. The additional rental development is targeted for Raymond Mallison Apartments (AMP No. OH007-000004). The Revitalization Plan revision was approved on 6/3/10 to eliminate Edgewood Village 2 and to restructure Edgewood Village 3.

Elizabeth Park Homes HOPE VI

Description: All rental development activities (Cascade Village) of the Elizabeth Park Homes HOPE VI were completed by August 31, 2009. Homeownership phase (Cascade Green) is still in progress marketing buildable lots and a model home. AMHA prepared a revision to the HOPE VI Revitalization Plan to amend the homeownership program in a way that would increase affordable rental housing units in the community in a timely manner. HUD approved the Revitalization Plan revision on 6/3/10 and while the model and buildable lots will continue to be marketed for purchase, the balance of the homeownership phase (7 units) has been changed to a rental phase and will be built off-site.

Project-based Vouchers: AMHA currently operates a project-based voucher (PBV) program and plans to continue working with community partners to identify specific target populations to be served through further project-basing of vouchers. Based on Requests for Proposals issued in the past fiscal year, AMHA issued a conditional approval for vouchers for permanent supportive housing. If the project is able to move forward, a subsidy layering review will be submitted to

The agency intends to issue additional Requests for Proposals (RFP) in the coming year to expand housing opportunities. AMHA may also consider applications outside the RFP Process consistent with Chapter 20 of the Administrative Plan. AMHA has tentatively determined that up to 200 additional youchers could be project-based in the Plan year, although based on proposals received in the past 2 rounds, this is an aggressive figure.

AMHA intends on using 12 project-based vouchers for Edgewood Village Phase 5, which went through a competitive selection of proposals and the competitive selection process did not involve any consideration that the project would receive PBV assistance. Edgewood Village is located near the Akron Zoo and would further revitalize the neighborhood, which includes Phases 1 and 4, both HOPE VI projects.

Homeownership: Section 32 Public Housing Homeownership Program. As of 7/31/10, the Section 32 Program was suspended due to the major decline in the housing market. AMHA continues to take homeownership applications and provides case management through FSS and BIH Programs. ROSS Family and Homeownership and BIH Programs has seen 4 homeowners last FY with an anticipated 6 more during this FY. This program will conclude in June, 2011 but will request an extension through December, 2011 to assist residents with self-sufficiency through financial literacy and homeownership activities.

Since program inception, there have been 27 HCV "Home for Me" closings; 17 homeowners still utilize the voucher for this program. An additional closing is anticipated by June, 2011.

8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.
8.1	Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the Capital Fund Program Annual Statement/Performance and Evaluation Report, form HUD-50075.1, for each current and open CFP grant and CFFP financing.
8.2	Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the Capital Fund Program Five-Year Action Plan, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.
8.3	Capital Fund Financing Program (CFFP). Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.
	Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.
	City of Barberton: There are 29 Census Tracts in Barberton. Eleven of the census tracts are in low-to-moderate income areas and the City plans to fund projects and activities within these areas. Barberton also collaborated with AMHA and Neighborhood Development Services (NDS) to purchase and rehab a foreclosed 24 unit rental complex in Barberton for those earning 50% or below the Area Median Income. Barberton offers through NDS, down payment assistance program which can help public housing residents become first time homebuyers.
9.0	City of Akron: Akron's priority based on household need is: (1) Low-income owner household; (2) Low-income renter household; (3) Homeless families and individuals; and (4) Non-homeless special needs persons. It's priority based on activity include: (1) Neighborhood Rehabilitation, owner-occupied housing; (2) New housing construction; (3) Acquisition and removal of blighted properties; (4) Rental Housing Rehabilitation or Construction; (5) Support facilities and public services and (6) Homeless persons, individual, and families assistance.
	County of Summit: Community Development Block Grant (CDBG) funds will be used to provide public services to low and moderate income residents such as home repair, senior services, economic development and infrastructure projects. HOME funds will be used to provide affordable housing to low-to-moderate income families. Public Housing residents are eligible to participate in the First-time Home Buyer Program.
	City of Cuyahoga Falls: The City has several housing initiatives to assist low & moderate income homeowners: Rehab Loan Program; Energy Grant/Loan; City-Wide Matching Grant; Self-Help Paint Reimbursement Grant; and First Time Homebuyer Down Payment Assistance. The city has 4 planning areas with 14 low to moderate income census blocks targeted for assistance. Characteristics of the population from these areas are: 42% renter occupied; 58% owner occupied; 95% white; 2.5% black and 2.5% other races and an average income of \$55,749.

Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.

9.1

AMHA's admission policy is designed to provide for de-concentration of poverty and income-mixing by bringing higher income families into lower income projects and lower income families into higher income developments. The agency's deconcentration and income-mixing goal will be to target at least 40% of new admissions to public housing in each fiscal year to "extremely low-income families"; will be to admit families above the PHA's Established Income Range (EIR) to developments below the EIR, and families below the PHA's EIR to developments above the EIR. The EIR is 85% to 115% of the PHA-wide average income for general occupancy developments.

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5- Year Plan.

The Housing Authority's goals have either improved or remain constant. We are again a High Performer Housing Authority. There is a wait list for both PH & HCVP FSS Programs. The Edgewood HOPE VI CSS Office continues to expand services and programs to an increasing caseload. Although the Section 32 Homeownership Program has been suspended due to the decline in the housing market, residents are still eligible for case management services and financial literacy training. To date, 27 HCV "Home for Me" customers have closed on a home. AMHA has been approved for a designated elderly housing site with construction anticipated to be complete by November 2011.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification".

The Akron Metropolitan Housing Authority considers any of the following to be a substantial deviation from the Agency's 5-Year Plan and a significant amendment or modification to the Agency's Annual Plan. If any of the criterions are met, the AMHA will submit a revised Plan(s) that satisfy all public process requirements. Changes made to comply with new or revised HUD rules do not constitute significant deviation or modification from the Plans presently submitted. Revisions made to work items and activities contained in the Plan, to accommodate the loss of PFS subsidy or capital funds received from HUD as a result of inadequate appropriations, shall not be considered substantial deviation or significant modification from the present Plans.

The PHAManagement's discretion shall not exceed five (5) years.

h. Note for all of the above categories:

In the event of the receipt of unfavorable information with respect to an applicant, consideration shall be given to the time, nature and extent of the applicant's conduct and to factors which might indicate a reasonable probability of favorable future conduct. The HAAMHA will consider evidence of the family's willingness to attempt to increase family income and the availability of training or employment programs in the locality.

i. Notification of Unsuitability

If an applicant is deemed unsuitable for the Conventional Public Housing program as a result of the pre-placement review, the applicant will be informed of this, in writing. The notification will advise the applicant of the reason for the determination and of the right to an informal hearing as outlined in Chapter 14 of this policy, concerning the Complaints, Grievances and Appeals. An applicant who is deemed unsuitable as a result of this review can still be considered eligible for the Section 8 certificate/voucher program.

j. Evidence

The **HAAMHA** must have evidence of the violation.

"Preponderance of evidence" is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred.

Preponderance of evidence is not to be determined by the number of witnesses, but by the greater weight of all evidence.

"Credible evidence" may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence, can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants, evidence gathered by PHAManagement inspectors and/or investigators, and evidence gathered from the PHAAMHA Hotline.

The PHA Management may pursue fact-finding efforts as needed to obtain credible evidence.

- 4. Pass screening for suitability.
- a. __a. __If the family has been evicted from the PHA any AMHA development for any lease violation, other than Drugdrug related criminal activity (see Standard of Violation page 2-8), the applicant will be deemed unsuitable for at least one year.
 - b. An applicant's intentional misrepresentation of any information related to eligibility, award of preference for admission, housing history, allowances, family composition or rent will result in denial of admission. If the applicant file has been withdrawn for misrepresentation, on any of the application information, the applicant must wait a minimum of six (6) months (from the date the application was withdrawn) to reapply for housing.
 - 5. **Victims of Violent Crimes.** No applicant for public housing who has been a victim of domestic violence, or stalking shall be denied admission into the program if they are otherwise qualified-in accordance with the Violence Against Women Act.
 - 6. For Phase 5, all applicants must be Elderly or Near Elderly Families.
 - E. HOME-Assisted Units. Twenty (20) of the Public Housing Units in Phase 1 and tenthirteen (1013) Non-Public Housing Units in Phase 4 shall be HOME-assisted units as described at 24 CFR §92.252. The HOME-assistance requirements require that at least four (4) units in Phase 1 and twothree (23) units in Phase 4 be occupied by households with incomes at or below 50% of AMI (Very Low-Income HOME Units).

IV. SELECTION PREFERENCES

An admission preference does not guarantee admission. Preferences establish the order of placement on the waiting list. Every applicant must still meet Management's selection criteria before being offered a unit.

A. <u>Income Eligibility</u>. The Owner intends that the Development will be a mixed-income community, whose Households have incomes (upon admission to the Development) that will not exceed 60% of Area Median Income. As mentioned in Section III(E) above, the Phase 1 will include 4 Very-Low Income HOME Units and Phase 4 will include 23 Very-Low Income HOME Units. <u>All income and asset verifications will be processed as described in Section IX of this document "Condition for Continued Occupancy."</u>

With the exception of the Public Housing units, all households must meet the minimum income guidelines as well.

Comment [17]: Clarify income guidelines

- B. <u>Prior Residents</u>. At initial lease-up of the Development and thereafter as vacancies occur, Prior Residents meeting the eligibility criteria set forth in this Policy will have priority over applicants who are not Prior Residents. Prior Residents who were tenants at the site for longer periods of time will have priority over Prior Residents who were tenants at the site for shorter periods of time.
- C. <u>Veteran Preference</u>. Provided to <u>families of households that include</u> veterans and persons serving in the active military or naval service of the United States, including <u>families the spouse or guardian of minor children</u> of deceased veterans or deceased persons who were so serving at the time of death.

As used in this section: "Veteran" has the same meaning as assigned by the Ohio Revised Code 5901.01, which means either of the following:

- a. A former member of the armed forces of the United States who served on active military duty and received an honorable discharge or honorable separation, a member of the armed forces of the United States who died on active military duty, or a member of the armed forces of the United States missing in action more than ninety days; or
- <u>b. A member of the United States merchant marine to whom either of the following applies:</u>
 - i. the member has an honorable report of separation from active duty military service, form DD214 or DD215.
 - ii. the member served in the United States merchant marine between December 7, 1941, and December 31, 1946, and died on active duty while serving in a war zone during that period of service.
 - iii. "United States merchant marine" includes the United States army transport service and the United States naval transport service
- D. Rent Burden Preference. Provided for families paying more than 30% of their income for rent and utilities commencing before they were selected from the waiting list and continuing through the verification of preference.

For purposes of the preference, "Family Income" is Gross Monthly Income as defined in the regulations.

"Rent" is defined as the actual amount due under a lease or occupancy agreement calculated on a monthly basis without regard to the amount actually paid, plus the monthly amount of the tenant supplied utilities which can be either:

The **PHAAMHA**'s reasonable estimate of the cost of such utilities, using the

Comment [18]: Public Hearing Comments

Section 8 Housing Choice Voucher Program Utility Allowance Schedule; or

The average monthly payments the family actually made for these utilities in the most recent 12-month period, or if information is not obtainable for the entire period, the average of at least the past three months.

An applicant family may choose which method to use to calculate utility expenses. Any amounts paid to or on behalf of a family under any energy assistance program must be subtracted from the total rent burden if included in Family Income.

To qualify for the Rent Burden preference, the applicant must pay rent directly to the landlord or agent.

If the applicant pays their share of rent to a cohabitant and is not named on the leases, the PHAAMHA will require both verification from the Landlord that the applicant resides in the unit, and verification from the cohabitant of the amount of rent paid by the applicant.

If the applicant is subletting, the lessor must have the legal right to sublet.

Members of a cooperative are "renters" for the purposes of qualifying for the preference. In this case, "Rent" would mean the charges under the occupancy agreement.

- E. Elderly Preference. For Phase 5 only, qualified Elderly Families shall be given a preference over Near Elderly Families. This preference shall be verified by records of birth.
- E. Application of Preferences. Applicant Households may qualify and apply for all preferences, independently of one another, or they may qualify and apply for more than one if appropriate. Priority will be given to Prior Residents over all Applicant Households not qualifying as Prior Residents as set forth above. Applicant Households will be placed on the portion of the Waiting List corresponding to any applicable preference in accordance with the date and time of their application and the Family's required bedroom size. However, no Applicant Household will be permitted to retain its position on any portion of the Waiting List if it rejects an appropriate unit, unless such rejection was for Substantial Cause, in which event such rejection will not affect the Applicant Household's position on the Waiting List. Notwithstanding the foregoing, if an Applicant Household has previously rejected two offers of a suitable vacant unit for Substantial Cause, upon the third rejection, even if such rejection is for Substantial Cause, the household will be moved to the bottom of all applicable portions of the Waiting List, and, if the household was entitled to a Prior Resident preference, the household shall no longer be entitled to such preference.
- FG. Order of Selection. The PHAAMHA has established the following local admissions preferences for general occupancy (family) developments:

Date and time of receipt of a completed application and

The PHAAMHA has established the following system to apply local preferences:

Local preferences will be aggregated using the following system:

Each preference is assigned points as listed below. The more preference points an applicant has, the higher the applicant's place on the waiting list.

Prior Resident Preference: 7 point

Income: 5 points

Rent Burden or Homeless Preference: 4 points

Veteran Preference: 2 points

For Phase 5, which is an elderly development, Elderly Families will have an absolute preference over Near-Elderly Families.

V. HOUSEHOLD AND UNIT SIZE CRITERIA

A. <u>Unit Size</u>.

1 2 3

- 1. No more than two (2) persons will be required to occupy a bedroom in an LIHTC Unit.
- 2. Unrelated persons, persons of different generations, or persons of the opposite sex will not be required to share a bedroom in such a unit, unless:
 - a. The Applicant Household elects to do so with the approval of Management, and
 - b. The persons who would be sharing the bedroom are eighteen (18) and older or six (6) and younger.
- A husband and wife will be expected to share a bedroom, as will dependent children of the same sex.
- 4. In selecting an appropriate unit size for a Household or an Applicant Household, Management will balance the need to avoid overcrowding against the need to avoid overhousing and to maximize use of space, in keeping with the above guidelines and the general standard illustrated below:

Number of	Number of Persons	Number of Persons
Bedrooms	Minimum	Maximum
	1	2
	2	4
	3	6
	4	8

5. For the purpose of determining unit size at move-in, Management will count all full-time members of the Applicant Household listed on the Pre-

Application Form (or in the case of a Prior Resident, on a Re-Admission Form), including any Live-In Aides and all children expected to reside in the unit (including those whom an adult in the household is adopting or acquiring legal guardianship of, who are temporarily absent due to placement in foster care or who are away at school, or who will be born to pregnant women in the household).

- 6. If an Applicant Household qualifies for more than one unit size based on the number of persons in the Household, the Household may elect to have unrelated persons or persons of different generations or of the opposite sex share a bedroom to qualify for a unit with the lower number of bedrooms. The Household may elect (a) to be placed on the portion of the Waiting List for units with the lower number of bedrooms only; (b) to be placed on the portion of the Waiting List for units with the higher number of bedrooms only; or (c) to be placed on both such portions of the Waiting List. If an Applicant Household chooses to be placed on both such portions of the Waiting List, rejection of a unit due to preference for a unit of the other size shall not be considered rejection for Substantial Cause.
- 7. When a family is actually offered a unit, if it no longer qualifies for the unit size where it was sublisted, it will be moved to the appropriate sublist, retaining its preferences and date and time of application. This may mean that the family may have to wait longer for a unit offer.
- B. Live-In Aides. Elderly, Near-Elderly, or Disabled Families may occupy a unit with an additional bedroom (to the extent available) when a bedroom is needed for a Live-In Aide, as long as the Household or Applicant Household provides written documentation from a physician to demonstrate the need for the Live-In Aide and the fact that the existence of a Live-In Aide would enable the Household to comply with the terms of the Lease. Any Live-In Aide must meet the Eligibility Requirements and Tenant Selection Criteria set forth in this Policy and must be approved by Management, after regular applicant-screening (as described below) and a review of the Live-In Aide's housing and employment references. If Management determines that a proposed Live-In Aide is not suitable for residency at the Development, the Household or Applicant Household may propose an alternate Live-In Aide, or request an informal hearing of Management's decision through the Grievance Procedure for the Development.

Upon approval for a Household to include a Live-In Aide, the Household has no more than sixty (60) days to identify an approvable Live-In Aide. Accommodation for an additional bedroom will not be made until the Live-In Aide becomes part of the household.

If approved by Management, each Live-In Aide must sign an agreement to abide by all rules and regulations of the Development. In no event, however, will a

Live-In Aide be party to the Lease or be considered a Remaining Member of the Household. Therefore, the income of a Live-In Aide will not be used in calculating the Annual Income of the Household and, in the event that the member of the Household assisted by the Live-In Aide vacates the unit for any reason, the Live-In Aide will have no right to stay in the unit and must vacate immediately.

C. Accessible Units.

- 1. Any unit that has been modified to be accessible to an Elderly or Disabled Family-will be offered first to any current resident of the Development who needs the special features of the unit and who is presently residing in a unit in the Development that lacks such features (and in the case of Phase 5 is also an Elderly or Near-Elderly Family). If no current resident has a need for the accessible unit, it will be offered to a qualified applicant on the waiting list who needs such special features.
- When offering an accessible or adaptable unit to a non-disabled applicant, Management will require the applicant to agree to move within 30 days to an available non-accessible unit in the Development when a current resident or a qualified Elderly applicant or applicant who is a Person with Disabilities needs the unit. This requirement will be reflected in the non-disabled applicant's Lease.
- 3. Similarly, if a Household member needing special features vacates an accessible unit, the Remaining Member(s) of the Household will be required to move to a different unit in the Development as soon as there is a qualified applicant or resident who needs such accessible unit.
- 4. A Disabled Near-Elderly or Elderly Family may elect to move into a unit that lacks features making it accessible if no accessible units are available.

VI. PRELIMINARY APPLICATION PROCESS

Owner will accept applications for housing at the Development in a two-(2) step process. The first step of the process will be a Preliminary Application, as described below. The second step will be a Final Eligibility Determination, after screening by Management, as described in Section VII.D below.

A. <u>Preliminary Application</u>.

 An applicant for housing at the Development may either call, visit or write to the Management Office to get a pre-application packet, which will include a notice of applicant's right to request a reasonable accommodation, a Pre-Application Form, including the release for the criminal background check and landlord reference(s) for all adult members of the household, and descriptive information about the Development and eligibility for housing at the Development.

- 2. The Pre-Application Form will require information on the names, ages and relationship of all members of the Applicant Household, the applicant's telephone number, the source and amount of the Household's Annual Income, the citizenship and student status of all members of the Applicant Household, the Social Security numbers of all members of the Applicant Household, the unit size requested, and whether the Applicant Household is requesting an accessible unit. Copies of social security cards and birth certificates are required for all household members at this time as well as copies of photo identification cards for all household members 18 years and older.
- 3. Applicants may complete the Pre-Application Form at the Management Office or return it by mail.
- 4. Management will notify all applicants of the right to request assistance in completing the Form and Management will provide such reasonable accommodation and assistance requested.
- 5. When a completed Pre-Application Form is received by the Management Office, Management will assign it an identifying number, for administrative purposes only, for the period in which the application is valid; this number does <u>not</u> indicate placement or position on the Waiting List.
- 6. The Pre-Application Form will also be time and date-stamped, to determine its priority on the Waiting List.
- No Pre-Application Form will be date and time-stamped unless it is complete on submission.
- 8. The Pre-Application Form will be reviewed to consider the following, for purposes of determining the Applicant Household's eligibility for housing at the Development (subject to later verification as provided in Section VII.D. below):
 - a. If the composition of the Applicant Household constitutes a Family as set forth in Section I of this Policy.
 - b. If each member of the Applicant Household is a U.S. citizen or a non-citizen with eligible immigration status, as defined by HUD.
 - If the Applicant Household is eligible for a Public Housing and or LIHTC Unit based on the income information reported in the Pre-Application Form.

- d. If each member of the Applicant Household has a Social Security number, or has certified that no such number has been assigned, and has signed the required forms for release of information.
- e. If the Applicant Household is a Working Family.
- f. If the size of the Applicant Household reported on the Pre-Application Form can be accommodated in any unit at the Development, in accordance with the Occupancy Guidelines outlined in Section V of this Policy.
- 9. If the application indicates that the Applicant Household does not meet these basic eligibility factors, the Pre-Application Form will be rejected. Management will send the applicant a letter listing the reason(s) for this rejection, and notify the applicant of the right to request an informal review of the decision, in accordance with the Grievance Procedure for the Development.
- 10. Alternatively, if the Applicant Household qualifies under these preliminary review guidelines, the Pre-Application Form will be accepted and Management will determine to which sections of the Waiting List the Applicant Household should be assigned, as described below.

VII. TENANT SELECTION AND ASSIGNMENT PLAN

- A. Operation of Waiting List. Management will maintain <a href="https://example.com/html/ex
 - 1. Assignment to Waiting List. The Waiting List will be divided into several different sections, corresponding to the Program Preferences set forth in this Policy and unit features (i.e., sections for income eligibility and size of unit in the Development, and for the accessible units in the Development). Based on the information provided in any accepted Pre-Application Form (subject to later verification) Management will determine to which sections of the Waiting List an Applicant Household should be assigned, as follows:
 - Based on information provided in the Pre-Application Form, Management will assign a Prior Resident Preference to the Applicant Household, if applicable.
 - Based on the Applicant Household's Annual Income and employment status, as reported on the Pre-Application Form,

- Management will assign the household any appropriate income eligibility preference.
- c. Based on the Applicant Household's composition and size, and the Occupancy Guidelines outlined in this Policy, Management will assign the Applicant Household to the portion of the Waiting List corresponding to an appropriately sized unit (subject to the provisions of Section V.A, permitting the Applicant Household to make certain elections regarding the Household's placement on the portion of the Waiting List for particular unit sizes).
- d. If the Applicant Household has requested an accessible housing unit, Management will assign the Applicant Household to the portion of ensure that this accommodation request is noted on the Waiting List corresponding to accessible units.

A final determination of whether an Applicant Household may occupy a unit at the Development will be made after verification of the information reported on the Pre-Application Form, full screening with respect to the Owner's Tenant Selection Criteria, and an interview with Management, all as part of the Final Eligibility Determination set forth below.

- 2. Updating the Waiting List. The Waiting List for the Development will be updated at least annually. Management will send a letter and a notice requesting confirmation of Applicant Household's intent to remain on the Waiting List to each Applicant Household on the Waiting List (a "Reply Card"). The Reply Card must be returned within fifteenten (1510) days after the date the letter was mailed. If no Reply Card is returned, Management will place the Pre-Application Form in the inactive file, remove the Applicant Household from the Waiting List, and notify the household in writing that it has been removed; no further notification will be sent as the reply card will indicate that failure to respond will result in removal from the Waiting List.
- 3. Removing Applicant Names from the Waiting List. To ensure vacant units are filled in a timely manner, Management needs a waiting list that is accurate. While each applicant must keep Management apprised of changes in address, phone number, income or other circumstances, no applicant shall be removed from the waiting list except when one of the following situations occurs:
 - a. The applicant receives and accepts an offer of housing;
 - b. The applicant requests that his/her name be removed from the waiting list;
 - c. The applicant is rejected, either because he/she is ineligible for

- public housing at the time of certification, or because he/she fails to meet the Eligibility or Tenant Selection Criteria, as set forth in this policy; or
- d. The application is withdrawn because the Management attempted to contact the applicant and was unable to do so. However, if persons fail to respond to Management's attempts to contact them because of verified situations related to a disability, such persons will be entitled to reasonable accommodation, and Management will reinstate such individuals to their former waiting list positions.
- 4. <u>Closing the Waiting List</u>. If any portion of the Waiting List is determined to be insufficient, Management may close the list for such units to new applicants.

5. Reopening the Waiting List. When the annual review of projected turnover demonstrates that any section of the Waiting List has insufficient applicants, such portion of the Waiting List will be reopened. Management will post a notice in the Management Office and at the office of AMHA, and publish a notice in area publications in concert with the Affirmative Marketing Plan.

B. Order of Selection and Transfers.

- 1. Transfers. Transfers will be made from one unit to another within the Development (or, where a transfer is necessary and cannot be accommodated by unit sizes within the Development, to another unit in the inventory of AMHA, to the extent permitted by it), subject to all existing Federal, state and local laws, including the civil rights laws set forth in Section II. A transfer may be necessary or voluntary. Necessary transfers will have priority over new admissions. Voluntary transfers are subject to a determination of "good cause" by Management and are only permissible after a Household has occupied a unit at the Development for at least one year. Households may transfer between Phase 1 and 1. Phase 4.4 and EVS. however Management shall require the Household to sign a new lease with the appropriate Owner. Households may transfer to Phase 5 if the household qualifies as an Elderly or Near-Elderly Family.
 - a. <u>Transfer Requirements</u>. To qualify for a transfer, a Household must meet the following conditions:
 - (i) All members of the Household appear on the Lease;
 - (ii) All members of the Household have completed the annual re-examination and are certified as eligible for continued occupancy; and
 - (iii) The Household is in material compliance with all terms of the Lease.
 - b. <u>Necessary transfers</u>. Necessary transfers will be made to:
 - (i) Address emergency conditions (i.e., conditions that pose imminent danger to a resident's life, health or safety);
 - (ii) Permit the use of a unit with special features by a resident or applicant whose disability requires a unit with such features;
 - (iii) Correct overhousing or underhousing;

(iv) Allow the Owner to make major repairs or renovations.

If Management determines that it must make a necessary transfer, it will send the Household written notice of the proposed transfer, explaining the reason for the transfer and the Household's rights to a conference with Management, in accordance with the Owner's Grievance Procedure. A Household may refuse transfer to another unit offered by Management one (1) time for Substantial Cause that is documented and acceptable to Management. If the Household refuses a second offer, Management may terminate the Household's Lease.

c. Voluntary Transfers.

- Management may authorize a voluntary transfer requested by a Household if it determines that there is Substantial Cause for the transfer.
- (ii) Households will be asked to document all circumstances surrounding a transfer request, to enable Management to make this determination.
- (iii) Substantial Cause does not exist where the negligence or intentional acts of a member of the Household has created or contributed to the situation cited by the Household as the reason for the transfer.
- (iv) Voluntary transfers will <u>not</u> take priority over new admissions. Rather, Management will place the Household on a transfer waiting list, and will fill vacant units in the Development with new admissions and voluntary transfers in accordance with a ratio determined by the Owner. Such ratio shall initially be not more than one (1) voluntary transfer per two (2) new admissions, but may be amended by the Owner as necessary to ensure compliance with civil rights laws and regulations set forth in Section II or to ensure the financial feasibility of the project.
- d. Management will keep a list of all Households approved for transfers, the type of transfer and the date on which it was approved, as well as a list of all available units, in order to advise Households of the status of their transfers, upon request.

- e. **Paving for Transfers**. Residents shall bear the cost of transfers to correct occupancy standards.
- New Admissions. If an available unit is not needed for a transfer, as described above, Management will determine the next eligible Applicant based on the established criteria.
- C. <u>Tenant Selection Criteria</u>. In order to live at the Development, each Applicant Household must meet the threshold Eligibility Criteria set forth in this Policy. In addition, all members of the Applicant Household must have a satisfactory history of meeting financial obligations and a satisfactory history of conduct in their previous housing. These requirements are applicable to all Applicant Households, including Prior Residents. To make this determination, Management will review the Applicant Household's housing history over the last five (5) years, including that of members who were homeowners or were living with parents.
 - 1. If a review of the Applicant Household's housing history from the past five (5) years reveals a history of any of the conduct listed below, the Management may reject the household's application for occupancy at the Development and remove the household from the Waiting List.

a. Adverse, disruptive, or illegal behavior:

- (i) Engaging in any behavior that adversely affected the health, safety or welfare of neighbors or other persons residing in the immediate vicinity, or disturbed such persons' rights to quiet enjoyment of their property, interfered with management of the property in which such household member resided, or adversely affected the physical environment or financial stability of such property.
- (ii) Illegal use (or a pattern of illegal use) of a controlled substance, or abuse (or a pattern of abuse) of alcohol, that may interfere with the health, safety, or right to peaceful enjoyment of the Development by other residents, Management employees, or persons residing in the immediate vicinity of the Development.
- b. <u>Failure to comply with resident obligations under a Lease</u>. This would include, without limitation, any circumstance in which the Applicant Household:
 - (i) Has an unpaid balance owing for rent, damages or other charges, unless previous arrangements for repayment have been made and regular payments are verified as being made

- and current, or if the Applicant Household was paying excessive rent relative to income and can demonstrate responsible efforts they made to resolve the non-payment problem;
- (ii) Has been or is a recipient of a public housing subsidy or a resident of a housing unit supported by low-income housing tax credits, and has refused to cooperate fully in all aspects of the annual or interim review processes;
- (iii) Has a history of permitting person(s) not on the Lease to reside in their apartment without the prior written approval of the landlord;
- (iv) Has a history of non-payment of rent. For purposes of this Policy, "history of non-payment" means three (3) or more late rent payments in a twelve (12) month period;
- (v) Has a history of failing to control guests or minors who are household members, such that they adversely affect the health, safety or welfare of neighbors or other persons residing in the immediate vicinity, or disturb such persons' rights to quiet enjoyment of their property, interfere with management of the property, or adversely affect the physical environment or financial stability of the property; or
- (vi) Eviction from previous housing for nonpayment of rent or any other Lease violation.
- c. <u>Unsanitary or hazardous housekeeping practices</u>. Unsanitary or hazardous housekeeping practices include, but are not limited to, the following:
 - (i) Creation of a fire hazard through acts such as hoarding of rags, papers or other flammable material;
 - Significant damage to the premises or any equipment and appliances therein for which a member of the Applicant Household is responsible;
 - (iii) Infestation, foul odors, or improperly disposed of garbage that adversely affects any neighbors; or
 - (iv) Any other serious neglect of the premises.

- 2. Bad credit and financial standing. To determine the applicant's capacity to pay rent on a timely basis, Management willmay examine the applicant's credit history, including the applicant's rent payment history with AMHA. The applicant will not be responsible for payment of the cost of a credit report. A poor credit history will not necessarily be a basis for rejection of the application. Instead, Management will consider such factors as whether the applicant's credit report and other verification indicates a consistent and repeated history of non-payment of housing related costs, the age, size and number of debts, whether the credit history resulted from disability or illness, or high rent burdens or other factors that indicate the applicant is likely to pay rent in the future.
 - a. If an applicant is denied admission based on a credit report, the written notification of denial will include:
 - (i) A statement that the application was rejected because of the credit report;
 - (ii) The name, address and telephone number of the credit reporting agency;
 - (iii) A statement that the credit reporting agency did not make the decision to deny the application and is unable to provide the applicant with the reasons for the denial;
 - (iv) A statement that the applicant is entitled to obtain a free copy of the credit report from the credit reporting agency within sixty (60) days of the notice;
 - (v) A statement that the applicant has the right to examine the credit report; and
 - (vi) A statement that the applicant has the right to dispute the accuracy of the credit report with the credit-reporting agency.
 - b. The household will have two (2) weeks after receiving the notice of the cause for rejection to send corrected information directly to Management.
 - If an Applicant Household claims that a disqualifying behavior as set forth in this section was the result of a disability or handicap, Management will make reasonable accommodation under the

circumstances set forth in Section II of this Policy.

3. <u>Ability to Pay for Utilities</u>. In addition to the financial information given above, if the utilities are tenant-paid, the Applicant Household must submit proof of its ability to establish accounts in its own name for utilities.

D. <u>Verification Procedures/Final Eligibility Determination</u>.

- Contacting Persons for Final Screening and Interview. When an Applicant
 Household comes close to the top of the Waiting List, but no sooner than six
 (6) months prior to an anticipated vacancy in an appropriately sized housing
 unit, Management will commence the final screening and interview process
 according to the following procedures:
 - a. Each Applicant Household is responsible for keeping Management informed of any changes of address and/or telephone number.
 - b. If after two documented efforts an Applicant Household cannot be reached, a certified letter will be sent to the last known address stating the date and time for an interview the applicant's name will be removed from the Waiting List.
 - c. If Management does not receive a response to the certified letter within ten (10) business days after the date the letter was mailed, or if the letter is returned because the US Postal Service was unable to deliver it, the applicant's Application Form will be placed in the inactive file, and Management will notify the Applicant Household that it has been removed from the Waiting List.
 - d.—If Management successfully contacts the Applicant Household and schedules an interview, but the Applicant Household fails to attend, one (1) attempt will be made to contact the household by telephone.
 - (i) If the Applicant Household responds, another appointment will be scheduled.
 - (ii) However, if there is no response within three days, or if the household again fails to attend the interview, the Pre-Application Form will be placed in the inactive file and Management will notify the Applicant Household that it has been removed from the Waiting List.
- 2. <u>Verification Process</u>. As applicants approach the top of the waiting list, they will be contacted by Management and asked to come in for an interview to

complete their applicant files. Applicants who fail to attend their scheduled interview or who cannot be contacted to schedule an interview will have their applications withdrawn, subject to reasonable accommodations for people with disabilities.

- a. The following items will be verified to determine qualification for admission the Development (verification documents are described in section IX Conditions for Continued Occupancy):
 - (i) Family composition and type (Elderly/Near-Elderly/Disabled//non-elderly);
 - (ii) Annual Income;
 - (iii) Assets and Asset Income;
 - (iv) Deductions from Income;
 - (v) Preferences;
 - (vi) Social Security Numbers of all Family Members;
 - (vii) Applicant Screening Information; and
 - (viii) Citizenship or eligible immigration status-; and
 - (ix) Existing housing subsidy (EIV existing tenant report).
- b. Third party written verification is the required form of documentation to substantiate applicant or resident claims. If attempts to obtain third party written verification are unsuccessful, Management may also use: Verification Heirarchy:
 - (i) Phone verifications with the results recorded in the file, dated, and signed by Management staff,
 - (ii) Review of documents, and, if no other form of verification is available,
 - (iii) Applicant certification. Applicants must cooperate fully in obtaining or providing the necessary verifications.
 - (i) Upfront Income Verification (UIV) using HUD's Enterprise Income Verification (EIV)
 - (ii) Upfront Income Verification (UIV) using non-HUD system

- (iii) Written Third Party Verification
- (iv) Written Third Party Verification Form
- (v) Oral Third Party Verification
- (vi) Tenant Declaration
- Verification of eligible immigration status shall be carried out pursuant to 24 C.F.R. 5.508. U.S. citizens are permitted to certify to their status.
- 3. <u>Interview.</u> All members of the Applicant Household age sixteen (16) and older must attend at least one interview session. At the interview, the following will occur:
 - The program requirements and verification procedures will be explained.

Applicants will also be informed that submission of incomplete, false or misleading information will be grounds for denial of the application.
 - f. All applicants will be informed that a final decision on their eligibility cannot be made until all verifications are complete.
 - g. All applicants will be given a voided copy of the form of Lease applicable to them as well as a copy of the rules and regulations for the Development. The Applicant Household will be informed that

Upon institution of modified rules and regulations, each Tenant will be required to sign an addendum to the Lease incorporating such modified rules and regulations.
- i. The rules and regulations may be amended from time to time by Management. Management shall notify each Tenant at least thirty (30) days prior to modifying the rules and regulations and shall provide each Tenant an opportunity to present written comments in response to the proposed modifications. In addition, each Applicant Household must provide the following information for all members of the household at the time of the interview:

- a. For Public Housing and LIHTC Units, if any member of the Applicant Household is not a U.S. citizen, evidence of legal immigrant status.
- b. Management willmay order a credit report and a criminal background check on all adult members of the Applicant Household (which, for purposes of the criminal background check, will include a member under the age of eighteen (18) if such member has been convicted as an adult) and such other reports and background checks as Management deems necessary.
- 6. <u>Home Visit</u>. Home visits <u>willmay</u> be scheduled in circumstances where landlord verification results in information that indicates that an otherwise qualified applicant is not suitable for occupancy. At the home visit, Management will attempt to differentiate between any damage to the current residence that was caused by the Applicant Household and any damage that is the responsibility

of the landlord or housing provider. The purpose of the home visit is to determine the following:

- That the Applicant Household is capable of caring for a housing unit so as not to create health and safety hazards or contribute to infestations.
- b. That the Applicant Household is not currently engaged in behavior or practices that would violate a Lease.

If the Applicant Household is homeless or is living with another household, or for other reasons is unable to control the condition of its current living space, Management willmay visit the Applicant Household in its current living situation and assess, to the extent feasible under the circumstances, the Applicant Household's ability to care for a housing unit and comply with a Lease. Where insufficient information to make a determination regarding the Applicant Household's ability to care for a housing unit and comply with a Lease, Management will attempt to obtain up to 5 personal references and may admit the Applicant Household but require periodic home visits after the Applicant Household has moved into a unit at the Development.

7. Completion of Application Process.

- a. All applications will be processed and verified promptly.
- Upon completion of the verification process, each Applicant Household will be informed in writing of Management's determination of whether the household's application for housing at the Development has been accepted.

d. Rejected Applications.

- (i) If the application is rejected, the written communication will include the specific reasons for the rejection, and will notify the Applicant Household that it has been removed from the Waiting List.
- (ii) The rejection letter will also inform the Applicant Household of the right (a) to review the information that caused the application to be rejected and, (b) to respond in

- writing within ten (10) days of Management's delivery of the rejection letter to request an Informal Hearing if such option is available to it under the Grievance Procedure (described below in Section VII.F.).
- (iii) The rejection letter will also include a notice regarding Applicant Household's right to request a reasonable accommodation, if applicable. If the Applicant Household believes that the rejection is based on a condition (such as unsatisfactory housing history) that is aggravated by a disability or handicap, the Applicant Household may request a reasonable accommodation that would mitigate such condition and enable the household to comply with the terms of a Lease. All such requests will be accepted or rejected as set forth in Section II hereof and in the Reasonable Accommodation Policy.
- (iv) If any rejection is reversed under the Grievance Procedure or based on a reasonable accommodation by Management, the Applicant Household will be placed back on the Waiting List in the position it would have been had the application been initially accepted.

E. Making Unit Offers to Applicants.

- 1. As soon as a unit becomes available for occupancy, Management will identify the screened and approved Applicant Household that is highest on the Waiting List for a unit of such size, and contact such household for such unit. If unable to contact a household by telephone, Management will attempt to communicate the offer to the Applicant Household by phone or by letter. All offers will be documented.
- 2. The offer will include the following information:
 - a. The monthly rent amount;
 - b. The requirement that each Household pay a security deposit, according to the type of unit the Household will occupy as follows:

and equal to one month's rent respectively prior to move in;

- c. The form of rent and deposit payments; and
- d. Any other conditions to occupancy, including, without limitation, the requirement that each adult member of the Applicant Household who is not specifically exempt from the Federal requirement to provide community service or participate in an Economic Self-Sufficiency Plan will be required to execute an agreement to provide such service or participate in such a plan.
- 3. The Applicant Household must indicate acceptance or rejection of the available unit within three (3) days after Management notifies the household of the offer by phone, or five (5) days after Management mails the offer letter, whichever is shorter.
- 4. The first and second time the Applicant Household rejects a unit for Substantial Cause, its application will be returned to the Waiting List at the same position (or positions) it was at prior to the offer of such unit. The third time the Applicant Household rejects a unit, even if such rejection is for Substantial Cause, the Applicant Household will be moved to the bottom of all applicable portions of the Waiting List and will lose any Prior Resident preference.
- 5. If an Applicant Household accepts the offered unit, Management will schedule a move-in appointment, which all household members age sixteen (16) and older must attend. The procedures to be followed at this appointment are set out in Section VIII below. In addition, all Applicant Households must complete the Housing Readiness Program offered at the Development before their move-in date.

F. Grievance Policy.

1. Public Housing Units and LIHTC Units: Informal Settlement.

- a. If Management proposes to take any action that would substantially and adversely affect a particular Household (i.e., by eviction, rent increase or forced transfer) or Applicant Household (i.e., by denial of application for housing or denial of selection preference), a Household or Applicant Household that disagrees with such action (a "Complainant") may contact the Management Office to explain its view or reply to any charges, either orally or in writing, within a reasonable time not to exceed ten (10) business days from the date of Management's proposed action.
- b. Written grievances must be signed by the Complainant. Each

grievance, whether written or oral, shall specify:

- (i) The particular grounds upon which it is based;
- (ii) The action requested; and
- (iii) The name, address and telephone number of the Complainant.
- c. Management shall respond to such grievances informally and shall make reasonable attempts to settle such grievances without a hearing, including arranging a meeting with the Complainant to discuss the complaint.
- d. Within five (5) calendar days after the meeting with Complainant, Management shall prepare and deliver to the Complainant a summary (the "Summary") of such informal attempts at resolution, including the names of the participants, dates of meeting(s), nature of the proposed disposition of the complaint (the "Disposition") and the specific reasons therefor.

2. Public Housing Units Only: Grievance Hearing.

- a. Within fifteen (15) calendar days after Management receives any timely request for a Grievance Hearing from a Household or Applicant Household that occupies or is applying for a Public Housing Unit, a Grievance Hearing will be conducted by an employee of Management who did not participate in the initial decision to take the adverse action or in the Disposition (the "Hearing Officer").
- b. The Hearing Officer will give the Complainant at least ten (10) calendar days notice of the time and place of the hearing, and the Complainant will have the right to review its file and make copies (at Complainant's sole expense) prior to the hearing.
- c. The hearing will be private, but the Complainant may bring a legal representative to the hearing, if desired.
- d. If the Complainant fails to appear at the hearing, the Hearing Officer may make a determination that the Complainant has waived its right to the hearing.
- e. Before a hearing is scheduled in any grievance involving the amount of rent that Management claims is due, the Complainant

must pay an escrow deposit to Management equal to the amount of rent Management states is due and payable as of the first of the month preceding the month in which the Household's act or failure to act took place. After the first deposit, the Household must deposit the same amount monthly until the family's complaint is resolved by decision of the Hearing Officer. Provided, that Management must waive the requirement for an escrow deposit where a Household would be entitled to a financial hardship exemption from Minimum Rent requirements under Section X.B of this Policy, or if the amount the Household is required to pay in rent is reduced as a result of a welfare benefits reduction affecting calculation of family income, in accordance with applicable law. Unless Management waives the requirement for an escrow deposit, a Household's failure to make the escrow deposit will terminate the grievance procedure. A Household's failure to pay the escrow deposit does not, however, waive the Household's right to contest in any appropriate judicial proceeding Management's disposition of the grievance.

- f. All grievances shall be personally presented either orally or in writing pursuant to the Informal Settlement process described in Section VII.F.1 above as a condition precedent to a Grievance Hearing, unless: (i) an Expedited Procedure is applicable as provided below, or (ii) the Hearing Officer waives such condition precedent upon a showing by the Complainant of good cause why he or she failed to follow Informal Settlement procedures.
- g. At the hearing, the Complainant may present evidence and arguments in support of the complaint and contradict evidence against the Complainant. The hearing will be informal, and the Hearing Officer may consider any evidence or testimony that is directly related to the facts and issues raised by the complaint or the Disposition.
- h. Within ten (10) calendar days after the hearing, the Hearing Officer will prepare and deliver to Management and the Complainant a written decision about the complaint, including the reasons therefor. The decision will be binding on the Owner, the Complainant, and Management, except to the extent that it is inconsistent with the Act, HUD regulations, the Annual Contributions Contract governing the Development, State law, or Section 42 of the Code.
- All notices to be delivered in connection with this Grievance Procedure will be deemed received upon actual receipt (if delivered

- in person) or two (2) days after deposit in the U.S. mail, postage paid and return receipt requested.
- j. The procedures for informal meetings and Grievance Hearings shall not apply to any termination of a public housing tenancy based on any violent or drug-related criminal activity on or off the premises of the Development; any other criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents of the Development, neighbors of the Development, the Owner, Management or the employees of the Owner or Management; or any activity resulting in a felony conviction.
- k. Selection of Hearing Officer or Panel. A Grievance Hearing shall be conducted by an impartial person or persons appointed by Management other than the person who made or approved the Management action under review, or a subordinate of such person. Management will have consulted with resident organizations prior to the appointment of such hearing officers.
- 3. Compliance with Regulations.

- a. Management actions taken under the Grievance Procedure will comply with 24 CFR Part 966.55 regarding escrow deposits and any rent that Management claims is due.
- b. All Management actions taken under the Grievance Procedure will comply with 24 CFR Part 966, Subpart B.
- **G.** Tenant Selection and Unit Assignment: Compliance with Civil Rights. The foregoing Tenant Selection and Assignment Plan shall be subject to and shall be implemented in a manner to ensure compliance with the civil rights laws and regulations set forth in Section II.

Persons added without Management approval will be considered unauthorized occupants and the entire Household will be subject to eviction.

If the Household does not provide all requested information within the time specified in the warning, Management may proceed to terminate the Lease for failure to comply with its material terms.

C. Interim Re-Examinations.

- E. D. Effect of Re-Examination. X. ELECTION OF PUBLIC HOUSING RENT

- A. <u>Election of Public Housing Rents</u>. Public Housing Tenant Rent is the amount a Household pays monthly to the Owner as rent for a Public Housing Unit in the Development. Each Household occupying a Public Housing Unit must elect annually whether its Public Housing Tenant Rent will be calculated as a Flat Rent or an Income-Based Rent, as provided below (and subject to the Minimum Rent requirements provided below):
 - Flat Rent. The Owner will establish, for each Public Housing Unit, a Flat
 Rent based on the rental value of the unit (calculated as set forth below) and
 designed so as not to create a disincentive for continued residency by families
 who are attempting to become economically self-sufficient through
 employment or who have attained a level of self-sufficiency through their own
 efforts.
 - The Owner will take into account the following factors in setting the levels of Flat Rent:
 - (i) The location, quality, size, unit type and age of the unit;
 - (ii) Any amenities, housing services, maintenance and utilities provided by the Development;
 - (iii) Rents of non-assisted rental units in the immediate neighborhood;
 - (iv) Size of Public Housing Units compared to non-assisted rental units from the neighborhood;

neighborhood;

- (vi) Land use in the surrounding neighborhood;
- (vii) Amenities (childcare, laundry facilities, playgrounds, community rooms, social services, education/job training programs, etc.) at other public housing developments in the surrounding neighborhood;
- (viii) Crime in other public housing developments and the surrounding neighborhood;
- (ix) Quality of local schools serving each <u>PHAAMHA</u> development;
- (x) Availability of public transportation at each <u>PHAAMHA</u> development; and
- (xi) Availability of accessible units for persons with mobility impairments.
- b. In no event will the Flat Rent exceed the permissible rent under the LIHTC Program <u>for LIHTC Units</u> or such lower amount as may be required by OHFA.
- c. The Owner shall review the Flat Rate structure annually and adjust the rents as needed. When a resident chooses Flat Rent, his or her rent shall be adjusted only at the next regular re-examination or recertification rather than at the point the Flat Rent may change.
- Management is only required to reexamine the family income of Households paying Flat Rents every three (3) years. However, Management is required to reexamine the family composition for such Households at least annually.
- 2. <u>Income-Based Rent.</u> Such rent is based on the income of the Household and shall be the greater of:
 - a. 30% of Monthly Adjusted Income; or
 - b. 10% of Monthly Income; or
 - c. If the Household is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the Household's actual housing costs, is

specifically designated by such agency to meet those housing costs, the portion of such payments which is so designated.

- 3. <u>Earned Income Exclusion</u>. For purposes of calculating Income-Based Rent, employment income earned by a member of an "eligible family" will not be included in such family's Annual Income as follows:
 - a. For a period of 12 months beginning on the date such employment begins, the amount excluded from Annual Income shall equal the amount by which the family member's new earned income exceeds such family member's prior earned income.
 - For the following 12-month period, Management will exclude 50% of such employment income increase from the family's Annual Income.
 - c. Months during which Annual Income is adjusted as set forth in this paragraph need not be consecutive, but in no event may such adjustments to an eligible family's Annual Income continue for longer than 48 months from the date of the first adjustment.
 - d. For purposes of this paragraph, an "eligible family" is one who occupies a Public Housing Unit and:
 - (i) Whose income increases as a result of employment of a family member who was previously unemployed for one year or more; or
 - (ii) Whose earned income increases during a family member's participation in any family self-sufficiency or other job training program; or
 - (iii) Who is or was, within the six months prior to the rent calculation, assisted under any State program for temporary assistance for needy families funded under part A of Title IV of the Social Security Act, and whose earned income increases.
- 4. **Financial Hardship.** Notwithstanding the above, if any Household has elected to pay a Flat Rent, Management shall immediately provide for the family to pay an Income-Based Rent during any period for which such election was made if Management determines that the Household is unable to pay the Flat Rent because of financial hardship resulting from the following situations:
 - a. The family has experienced a decrease in income because of

- changed circumstances, including loss or reduction of employment, death in the family, or reduction in or loss of earnings or other assistance:
- b. The family has experienced an increase in expenses, because of changed circumstances, for medical costs, child care, transportation, education, or similar items; and
- Such other situations as Management may determine to be appropriate.
- B. Minimum Rent. In no event will the Public Housing Tenant Rent payable by the Household be less than the Minimum Rent set by the Owner, as amended from time to time. If the Public Housing Tenant Rent elected by the Household, when calculated, would be less than the Minimum Rent, then the Household will pay the Minimum Rent.
 - 1. <u>Hardship Exemption</u>. Notwithstanding the foregoing, Management will advise all such Households that they have an opportunity to request a hardship exemption from the Minimum Rent requirement and to file a grievance in response to any unfavorable determination.
 - a. Upon any such request for a hardship exemption, Management will immediately suspend the Minimum Rent requirement and begin an examination of the Household's circumstances.
 - b. A Household will be eligible for a hardship exemption if it is unable to pay the Minimum Rent because:
 - (i) It has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program, including a Household that includes a member who is an alien lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Reconciliation Act;
 - (ii) The Household would be evicted as a result of the imposition of the Minimum Rent requirement;
 - (iii) The income of the Household has decreased because of changed circumstance, including loss of employment;
 - (iv) A death in the family has occurred; or

- (v) Other situations as may be determined by the Owner.
- c. If, after investigation, Management reasonably determines that either (i) the Household can pay the Minimum Rent without financial hardship, as described above, or (ii) any such financial hardship would be temporary, then the Household must pay the Minimum Rent retroactive to the date the Minimum Rent was suspended.
- d. In the case of a temporary hardship, however, the Household may not be evicted for non-payment of rent during the 90-day period following the exemption request, and Management must offer a reasonable re-payment agreement with respect to any such rent not paid during that period.
- e. If the Household thereafter demonstrates that the financial hardship is of a long-term nature, Management will retroactively exempt the Household from the Minimum Rent beginning on the date of its original request.
- C. <u>Utility Allowances</u>. Where all utilities (except telephone) and other essential housing services are supplied by the Owner, Public Housing Tenant Rent shall equal either Income-Based Rent or Flat Rent, as elected by the tenant. Where no such utilities or essential housing services are supplied by the Owner and the tenant has elected to pay Income-Based Rent, Public Housing Tenant Rent equals the tenant's Income-Based Rent less the Utility Allowance.

D. Rent Adjustments.

- 1. Rent will remain in effect for the period between regular re-examinations, UNLESS during such period:
 - a. The Household reports, in writing, a change in circumstances (i.e., a decrease in income or additional or new deductions from income) that would result in decreased Household income for no less than 30 days, and can provide documentation verifying such change;
 - The Household reports a change of circumstances (i.e., increases in income or discontinuance of any deductions from income) that would require an increase in rent. Any such change must be reported to Management in writing within fifteen (15) days of the date the Household begins receiving increased income as a result of the change;
 - c. Rent formulas or procedures are changed by Federal law or

- regulation, or as a result of the implementation of a Preservation and Transformation Plan, as described in the Regulatory and Operating Agreement between Owner and AMHA; or
- d. A change in the Household's Utility Allowance would result in an increase or decrease in Tenant Rent.
- 2. Management will notify a Household in writing of any proposed adjustment in rent and the effective date of such adjustment.
- 3. If Management determines (based on documentation provided by the Household) that a change in circumstances justifies a reduction in rent, then the rent decrease will be effective as of the first day of the month following the month in which the Household reported its decreased income.
- 4. If Management determines that a change in circumstance justifies an increase in rent, then Management will provide the Household at least thirty (30) days advance notice before such rent increase takes effect; provided that:
 - a. If the increase is due to a member of an "eligible family" (described above in Section X.A.3) becoming gainfully employed, the rent increase will be effective on the first day of the 13th month following the date of employment, only as to 50% of such member's earned income, and on the first day of the 25th month following the date of employment, as to 100% of such member's earned income: and
 - b. If any Household has misrepresented any material facts such that the Household is paying less rent than it should, then Management will apply an increase in rent retroactive to the first of the month following the month in which the misrepresentation occurred.
- 5. Management may evict or terminate the tenancies of families who are overincome, subject to the following restrictions:
 - a. Unless required to do so by local law, Management may not evict or terminate the tenancy of a family solely because the family is over the income limit for public housing if the family has a valid contract for participation in a Family Self-Sufficiency program pursuant to 24 C.F.R. 984.
 - b. Management may not evict a family for being over the income limit for public housing if the family currently receives the earned income disallowance provided by 42 U.S.C. 1437a(d) and 24 C.F.R. 960.255.

EDGEWOOD VILLAGE GRIEVANCE PROCEDURE

The following sets forth the requirements, standards and criteria for the <u>Public Housing</u> Grievance Procedure ("Grievance Procedure") established and implemented by the Akron Metropolitan Housing Authority ("AMHA"), as Managing Agent for all phases of Edgewood Village.

I. <u>DEFINITIONS</u>

In this Grievance Procedure, the following terms have the meanings specified in this section:

.

- A. <u>Grievance</u>: Any dispute which a Tenant may have with respect to AMHA action or failure to act in accordance with the individual Tenant's lease or AMHA regulations which adversely affects the individual Tenant's rights, duties, welfare or status.
- B. <u>Complainant</u>: Any Tenant (as defined below) whose Grievance is presented to AMHA or at the project management office in accordance with the requirements presented in this procedure.
- C. <u>Elements of Due Process</u>: An eviction action or a termination of tenancy in a state or local court in which the following procedural safeguards are required:
 - 1. Adequate notice to the Tenant of the grounds for terminating the tenancy and for eviction;
 - 2. Right of the Tenant to be represented by counsel;
 - 3. Opportunity for the Tenant to refute the evidence presented by AMHA, including the right to confront and cross examine witnesses and to present any affirmative legal or equitable defense which the Tenant may have; and
 - 4. A decision on the merits.
- D. <u>Hearing Officer</u>: A person selected in accordance with this Grievance Procedure to hear Grievances and render a decision with respect thereto.
- E. <u>Tenant</u>: The adult person (or persons)(other than a live-in aide): (1) who resides in the dwelling unit, and who executed the lease with AMHA as lessee of the dwelling unit, or if no such person now resides in the unit; and (2) who resides in the dwelling unit, and who

is the remaining head of the household of the Tenant family residing

in the dwelling unit.

F. <u>Resident Organization</u>: An organization of residents, which also includes a resident management corporation.

II. GRIEVANCE PROCEDURE APPLICABILITY

This Grievance Procedure shall apply to all Tenant Grievances with the following exceptions:

- A. Because HUD has issued a due process determination that the law of the State of Ohio requires that a Tenant be given the opportunity for a hearing in court which provides the basic Elements of Due Process before eviction from the dwelling unit, this Grievance Procedure shall not be applicable to any termination of tenancy or eviction that involves:
 - 1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees of AMHA; or
 - 2. Any drug-related criminal activity on or off such premises.
 - 3. Any criminal activity that resulted in a felony conviction of a household member.
- B. This Grievance Procedure shall not be applicable if Complainant fails to submit a request for hearing within ten (10) calendar days after the incident giving rise to the grievance.
- C. This Grievance Procedure shall not be applicable to disputes between Tenants which do not involve AMHA or to class Grievances. This Grievance Procedure is not intended as a forum for initiating or negotiating policy changes between a group or groups of Tenants and AMHA.

III. INFORMAL SETTLEMENT OF A GRIEVANCE

Any Grievance shall first be personally presented, in writing, to the Edgewood Village Management Office within ten (10) calendar days after the incident giving rise to the Grievance. A sample complaint form is attached as Exhibit A. As soon as the Grievance is received, it will be reviewed by the development manager to be certain that none of the exclusions in Section II above applies to the Grievance. Should one of the exclusions apply, the Complainant will be notified in writing why the matter raised is not subject to AMHA's Grievance Procedure.

If none of the exclusions cited above apply, the Complainant will be contacted by the manager or an AMHA representative within ten (10) days to arrange a mutually convenient time to meet so the Grievance may be discussed informally and settled without a formal hearing. At the informal hearing the Complainant will present the Grievance and the development manager or AMHA representative will attempt to settle the Grievance to the satisfaction of both parties.

Within five (5) working days following the informal discussion, AMHA shall prepare and either give or mail to the Complainant a summary of the informal discussion which specifies the names of the participants, the dates of the meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore, and shall specify the procedures by which a formal hearing under this procedure may be obtained if the Complainant is not satisfied. A copy of this summary shall also be placed in the Complainant's file.

Failure by Complainant to appear without rescheduling the informal hearing shall be considered as a waiver of the right to the Grievance process.

IV. FORMAL GRIEVANCE HEARING PROCEDURES

A. Request for a Formal Hearing:

If the Complainant is dissatisfied with the settlement arrived at in the informal hearing, the Complainant must submit a written request for. a hearing to the management office no later than ten (10) calendar days after the summary of the informal hearing is received. A receipt signed by the Complainant or a return receipt for delivery of certified mail, whether or not signed, will be sufficient proof of time of delivery for the summary of the informal discussion. The written request shall specify the reasons for the Grievance and the action of relief sought from AMHA. Exhibit B, attached, is a sample request form for a formal hearing.

B. Failure to Request a Formal Hearing:

If the Complainant fails to request a hearing within ten (10) calendar days after receiving the summary of the informal hearing, AMHA's decision rendered at the informal hearing becomes final. AMHA is not obligated to offer the Complainant a formal hearing unless the Complainant can show good cause why he failed to proceed in accordance with this procedure. Failure to request a Grievance Hearing does not affect the Complainant's right to contest AMHA's decision in a court hearing.

C. Before the Formal Hearing is Held:

- 1. **Escrow Account**. Before a hearing is scheduled in any Grievance involving the amount of rent which AMHA claims is due under the lease, the Complainant shall pay to AMHA an amount equal to the rent due and payable as of the first of the month preceding the month in which the act or failure to act took place. The Complainant shall, thereafter, deposit the same amount of the monthly rent in an escrow account monthly until the complaint is resolved by decision of the Hearing Officer. Any interest earned on the escrow account shall be retained by AMHA to pay for administrative expenses.
- 2. Examination of Records. The Complainant may examine all the AMHA documents including records and regulations that are directly relevant to the Grievance before the formal hearing is held. AMHA shall provide copies at the expense of Complainant. If AMHA does not make any document available for examination upon request by the Complainant, AMHA may not rely on such document at the Grievance Hearing.
- 3. <u>Transcript of Hearing</u>. The Complainant or AMHA may arrange, prior to the hearing and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of the transcript.

D. <u>Selecting the Hearing Officer</u>:

The Grievance Hearing shall be conducted by an impartial person appointed by AMHA other than a person who made or approved AMHA action under review or a subordinate of such person. The Hearing Officer shall be appointed as described below:

- 1. AMHA shall nominate a slate of impartial persons to sit as Hearing Officers. Such persons may include AMHA board members, AMHA staff members, residents, attorneys, professional arbitrators, or others. Nominees will be informed that they will be expected to disqualify themselves from hearing Grievances that involve personal friends, other residents of developments in which they work or reside, or Grievances in which they have some personal interest.
- 2. Potential Hearing Officer(s) nominated by AMHA shall be submitted to AMHA's Resident Organization. Written comments from the Resident Organization shall be considered by AMHA before the nominee(s) is/are appointed.
- 3. When the comments from the Resident Organization have been received and considered, nominee(s) will be appointed, and called upon in a rotation.

E. Scheduling the Hearing:

When Complainant submits a request for a formal Grievance Hearing, it will be scheduled as soon as possible at a date and time convenient to AMHA and the Complainant.

A written notification specifying the time, place, and the procedures governing the hearing shall be delivered to the Complainant and the appropriate AMHA official. The notice may be personally delivered to the Complainant or sent by regular mail.

F. **Procedures Governing the Hearing:**

The following procedures shall govern the formal Grievance Hearing:

- 1. The hearing shall be held before a Hearing Officer as described above in paragraph D. The Complainant shall be afforded a fair hearing, which shall include:
 - a. The right to be represented by counsel or other person chosen as the Complainant's representative and to have such person make statements on the Complainant's behalf;
 - b. The right to a private hearing unless the Complainant requests a public hearing;
 - c. The opportunity to examine before the grievance hearing any Housing Authority documents, including records and regulations that are directly relevant to the hearing;
 - d. The right to present evidence and arguments in support of the Complainant's complaint, to controvert evidence relied on by AMHA or project management, and to confront and cross examine all witnesses upon whose testimony or information AMHA or project management relies; and
 - e. A decision based solely and exclusively upon the facts presented at the hearing.
- 2. The Hearing Officer may render a decision without proceeding with the hearing if they determine that the issue has been previously decided in another proceeding.
- 3. At the hearing, the Complainant must first make a showing of an entitlement to the relief sought and, thereafter, AMHA must sustain

the burden of justifying AMHA action or failure to act against which the complaint is directed.

- 4. The hearing shall be conducted informally by the Hearing Officer. Oral or documentary evidence pertinent to the facts and issues raised by the Complainant may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.
- 5. The Hearing Officer shall require AMHA, the Complainant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the Hearing Officer to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.
- 6. AMHA will provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants. If the Complainant is visually impaired, any notice to the Complainant which is required under this procedure must be in an accessible format.
- 7. If a Hearing Officer member fails to disqualify himself/herself as required in Section IV.D., AMHA will remove the Hearing Officer from the hearing committee, invalidate the results of the hearing and schedule a new hearing with a new Hearing Officer.
- 8. The testimony at the hearing shall be recorded by AMHA. The Complainant may purchase a copy of the recording.

G. Failure to Appear at the Hearing:

If the Complainant fails to appear at the scheduled formal Grievance Hearing, the Hearing Officer may make a determination to postpone the hearing for a period of time not to exceed five (5) business days, or may make a determination that the party has waived his/her right to a hearing.

Both the Complainant and AMHA shall be notified of the determination by the Hearing Officer. A determination that the Complainant has waived his right to a hearing shall not constitute a waiver of any right the Complainant may have to contest AMHA's disposition of the Grievance in a court.

H. <u>Decision of the Hearing Officer</u>:

1. **Written Report**. The Hearing Officer shall prepare a written decision, together with the reasons for the decision within ten calendar days after the hearing. A copy of the decision shall be sent to the Complainant and AMHA.

AMHA shall retain a copy of the decision in the Complainant's file in the management office. A copy of the decision with all names and identifying references deleted, shall also be maintained on file by AMHA and made available for inspection by a prospective complainant, his representative, or any Hearing Officer or Hearing Panel.

- 2. <u>Binding Decision</u>. The decision of the Hearing Officer shall be binding on AMHA which shall take all actions, or refrain from any actions, necessary to carry out the decision unless AMHA's Board determines within ten (10) working days, and promptly notifies the Complainant of its determination that:
 - a. The Grievance does not concern AMHA action or failure to act in accordance with or involving the Complainant's lease or AMHA regulations, which adversely affect the Complainant's rights, duties, welfare or status.
 - b. The decision of the Hearing Officer is contrary to applicable federal, state or local law, HUD regulations, or requirements of the annual contributions contract between HUD and AMHA.
- 3. <u>Judicial Action</u>. A decision by the Hearing Officer in favor of AMHA or which denies the relief requested by the Complainant in whole or in part, shall not constitute a waiver of, nor affect in any way, the rights of the Complainant to a trial or judicial review in any court proceedings which may later be brought in the matter.
- 4. <u>Lease Termination</u>. If the Grievance involves a lease termination, AMHA will not issue the Complainant a notice to vacate his/her dwelling until after the Complainant has received the decision of the Hearing Officer. If the decision is in favor of AMHA, or if he AMHA Board decides to proceed against the Complainant in spite of the decision, the Complainant will be served with a three <u>(3)</u> day notice to vacate. The Complainant must then vacate the unit within the stated time or AMHA will proceed through a court of law to evict the Complainant.

V. <u>MISCELLANEOUS</u>

- A. This Grievance Procedure is incorporated by reference into all leases between AMHA and Tenants.
- B. AMHA shall before amending or changing this Grievance Procedure, provide at least thirty (30) days notice to Tenants and Resident

Organization of proposed changes in this Grievance Procedure. Within the thirty (30) day period, Tenants and the Resident Organization may submit written comments to AMHA. Such written comments shall be considered by AMHA before adoption of any changes to this Grievance Procedure.

C. AMHA shall furnish to each Tenant and the Resident Organization a copy of this Grievance Procedure.

6. ADDITIONAL CHARGES AND FEES UNDER THE LEASE

- A. Charges Due under the Lease Are "Additional Charges", Not Rent: All amounts or charges required to be paid by Lessee under other provisions of this Lease shall be payable as "additional charges," whether or not so designated, and shall not be considered "rent". In all cases, if such amounts or charges are not paid at the time provided in this Lease, they shall nevertheless, if not paid when due, be collectible with the next installment of rent thereafter falling due hereunder, but nothing herein contained shall be deemed to suspend or delay the payment of any amount of money or charge at the time the same becomes due and payable hereunder, or limit any other right or remedy of the Lessor. A schedule of the types and amounts of additional charges shall be available to Lessee upon request and shall be posted in a conspicuous location in the Property's office.
- B. Late Payments: If Lessee's rent is not received by the close of the tenth (10th) day of any month, Lessee shall pay as additional charge of forty dollars (\$ 40), as a reasonable pre estimate of, and as liquidated damages for, the administrative cost and expense of Lessor in handling late payments, and not as a penalty. This provision will be strictly enforced unless Lessee receives written permission by Lessor or Lessor's agent to pay rent at a date later than the tenth (10th) day. Such permission must be obtained prior to the first (1st) day of the month in which the rent is due. C. Checks Not Honored by Bank: Lessee will be charged a fee of twenty-five Dollars (\$ 25), for a check that is not honored for payment by a financial institution, as a reasonable pre-estimate of, and as liquidated damages for, the administrative cost and expense of Lessor in handling bad or dishonored checks, and not as a penalty. If Lessee's personal check is not honored for payment for any reason, then Lessee will be required to make all future payments by cashier's check or money order. This includes payment pursuant to any existing balance as well as all future payments due.
- DC. Maintenance and Repair: Lessee agrees to pay the cost of repairing all damages to the Leased Premises and the Property where it is located, beyond ordinary wear and tear, that are caused by the conduct of Lessee, Lessee's guests, licensees or occupants of the Leased Premises or their guests. The cost charged to Lessee will be Lessor's cost of the items replaced and/or materials used, and Lessor's cost for labor. If a contractor other than Lessor makes the repairs, Lessee shall pay the full cost thereof.
- ED. Notice of Payment of Fees and Charges: Lessor shall provide Lessee with written notice detailing any charges under this Section. All fees and/or charges collectible under this Section are due and collectible two weeks after such written notice. If applicable to Lessee, Lessee may challenge any such fees and or charges in accordance with the established Grievance Procedure.

7. SECURITY DEPOSIT

- A. **Move-In Inspection**: Lessee acknowledges that prior to paying Lessor the Security Deposit, Lessee has received the Move-In Inspection Report attached hereto, which includes a comprehensive list of any existing damage to the Leased Premises.
- B. **Itemized Statement:** Within thirty (30) days after Lessee's release of possession, and provided that Lessee provides written notice of forwarding address prior to Lessee's release of possession, Lessor shall provide Lessee with a written itemized statement detailing the amount of the Security Deposit and the basis for withholding any of the Security Deposit in accordance with ORC Ann. § 5321.16.
- C. Withholding Security Deposit: With the itemized statement, Lessor shall return to Lessee an amount equal to the full amount of the Security Deposit less so much of the Security Deposit as may be necessary to: (i) repair any damages to the Lessed Premises, exclusive of ordinary wear and tear, caused by the Lessee or by a guest or licensee of the Lessee; (ii) remedy a default in the payment of rent or any other fees or charges due under this Lease; or (iii) clean the Leased Premises after vacated by Lessee.

- D. Lessee Still Liable for Amounts Due in Excess of Deposit: Lessee shall remain liable for the cost of all damages, ordinary wear and tear excepted, remaining unpaid after Lessor's application of the Security Deposit. Lessee understands that liability for damages and rent due at time of move out is NOT limited to the amount of Security Deposit and that the Security Deposit shall not be used for or applied to rent, additional charges or other fees prior to terminating the occupancy. The application of all or part of the Security Deposit in accordance with the provisions hereof and applicable law shall not be an exclusive remedy for Lessor, but shall be cumulative, and in addition to all other remedies of Lessor at law or under this Lease.
- E. **Refund of Deposit:** In the event of a refund of any portion of the Security Deposit and multiple Lessees, one refund check will be issued to the name listed as "Head of Household" as listed on the rental application form.

8. OCCUPANCY AND USE OF APARTMENT

A. **Authorized Occupants:** The right to exclusive use and occupancy of the Leased Premises in accordance with the terms of this Lease is granted to Lessee and the members of the household authorized to reside at the Leased Premises which are specifically listed on the application as follows:

Name D.O.B.: Relationship to Lessee: Head of Household Sex:

Name: D.O.B.: Relationship to Lessee: Sex:

- B. Guests/Persons under the Lessee's Control: Lessee may have guests or visitors. A guest or visitor is a person who is not named in the Lease, but is temporarily staying in the dwelling unit with the consent of the Lessee or other member of the household who has express or implied authority to so consent on behalf of the Lessee. Guests and visitors must follow all of Lessor's rules and Lessee is responsible for the action of his or her guests and visitors. Lessee must notify Lessor, in writing, of the names and automobile license numbers of any guests who will remain more than 72 hours. Lessee must get written permission from Lessor for any guest or visitor who stays more than two (2) consecutive weeks. An "other person under the Lessee's control" means that the person, although not staying as a guest in the dwelling unit, is, or was at the time of the activity in question, on the Property because of a request or an invitation from the Lessee or other member of the household who has express or implied authority to so consent on behalf of the Lessee. Absent evidence to the contrary, a person temporarily and infrequently on the premises solely for legitimate commercial purposes is not "under the Lessee's control."
- C. Additions to the Household: The Lessee must promptly inform the Lessor of the birth, adoption or court-awarded custody of a child. The Lessee must request Lessor approval to add any other person to the household, including a foster child or live-in aide. Such approval will be granted only if the proposed additional household members meet eligibility and screening criteria and, if the addition would necessitate a transfer of the family to another unit, whether an appropriate size unit is available. As used herein, the term "live-in aide" means a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who (i) is determined to be essential to the care and well-being of the persons; (ii) is not obligated for the support of the persons; and (iii) would not be living in the unit except to provide the necessary supportive services. The need of a member of the household for a live-in aide must be documented and recommended by a medical doctor before the live-in aide can move in.
- D. **Residential Use:** The Leased Premises is for residential use only, except that, with the consent of Lessor, members of the household may engage in legal profit making activities in the dwelling unit, where Lessor determines, at its sole discretion, that such activities are incidental to primary use of the leased unit for residence by members of the household.
- E. **Pets:** Lessee may keep pets only in accordance with the attached Pet Policy.
- F. **Parking:** Lessor reserves the right to regulate the use of all vehicle parking within the Property and to require the registration of all such vehicles.

G. Occupancy Standards:

1. Maximum Occupancy: Lessor may set standards defining a maximum number of persons allowed to reside in a unit. Such maximum occupancy limits shall be set forth in the documents defining the resident selection standards.

- 2. Unit Size: Unit size is determined at initial application and upon renewal. Any change in occupancy during the Lease term must be approved in writing by the office of the site manager.
- 3. Compliance Mandatory: The occupancy standard set forth herein must be complied with throughout the Lease term. In order to assure compliance with this standard, all persons initially residing in the Leased Premises must be approved in writing by the office of the site manager. This Lease will not be renewed or extended for any household in violation of this standard. Further, Lessee will be in violation of the Lease and subject to eviction proceedings if a person resides in the Leased Premises who is not listed on this Lease or who has not been approved as required by subsection C. above.

9. LESSOR'S OBLIGATIONS UNDER THE LEASE

- A. Lessor agrees to assume the following general obligations, many of which are more specifically discussed in the remainder of this Lease:
 - 1. Lessor shall maintain the Leased Premises and the Property in decent, safe and sanitary condition;
 - 2. Lessor shall comply with requirements of applicable building codes, housing codes, and applicable U.S. Department of Housing and Urban Development ("HUD") regulations materially affecting health and safety;
 - 3. As applicable, Lessor shall educate applicants about the dangers of lead-based paint and notify applicants of the presence of known lead-based paint and lead-based paint hazards. Lessor shall take necessary actions to notify Lessee of any lead-based paint hazards and to respond to and evaluate any such hazards that arise.
 - 4. Lessor shall make necessary repairs to the dwelling unit;
 - 5. Lessor shall keep all Property buildings, facilities and common areas, not otherwise assigned to Lessee for maintenance and upkeep, in a clean and safe condition;
 - 6. Lessor shall maintain in good and safe working order and condition electrical, plumbing, sanitary, heating, ventilating, and other facilities and appliances supplied or required to be supplied by Lessor by the terms of this Lease;
 - 7. Lessor shall provide and maintain appropriate receptacles and facilities (except containers for the exclusive use of Lessee's household) for the deposit of garbage, rubbish and other waste removed from the dwelling unit by the Lessee in accordance with Section 10(A)(7) of this Lease;
 - 8. Lessor shall supply running water and reasonable amounts of hot water at all times and reasonable amounts of heat, except where the building that includes the dwelling unit is not required by law to be equipped for that purpose, or where heat or hot water is generated by an installation within the exclusive control of Lessee and supplied by a direct public utility connection; and
 - 9. Lessor shall provide written notice to the Lessee of the specific grounds for any proposed adverse action by Lessor. Such adverse action includes, but is not limited to, a proposed Lease termination, transfer of Lessee to another unit, or imposition of charges for maintenance and repair. When Lessor is required to afford Lessee the opportunity for a hearing under the Lessor's Grievance Procedure concerning a proposed adverse action, the notice of proposed adverse action shall inform the Lessee of the right to request such hearing.

10. LESSEE'S OBLIGATIONS UNDER THE LEASE

- A. Lessee agrees to the following general obligations, many of which are more specifically discussed in the remainder of this Lease:
 - 1. Lessee shall not assign the Lease or sublease the dwelling unit;
 - 2. Lessee shall not provide accommodations for boarders or lodgers;
 - 3. Lessee shall use the dwelling unit solely as a private dwelling for the Lessee and the Lessee's household as identified in this Lease, and not to use or permit its use for any other purpose;
 - 4. Lessee shall abide by necessary and reasonable regulations promulgated by the Lessor for the benefit and well-being of the Property and its residents which shall be posted in the site management office and incorporated by reference in the Lease.

- 5. Lessee shall comply with all obligations imposed upon residents by applicable provisions of building and housing codes materially affecting health and safety:
- 6. Lessee shall keep the dwelling unit and such other areas as may be assigned to the Lessee for the Lessee's exclusive use in a clean and safe condition;
- 7. Lessee shall dispose of all fireplace ashes, garbage, rubbish, and other waste from the dwelling unit in a sanitary and safe manner;
- 8. Lessee shall use only in a reasonable manner all electrical, plumbing, sanitary, heating, ventilating, air-conditioning and other facilities and appurtenances including elevators;
- 9. Lessee shall refrain from, and shall cause all members of Lessee's household, Lessee's guests and all other persons under Lessee's control to refrain from destroying, defacing, damaging, or removing any part of the dwelling unit or Property. On termination of this Lease, Lessee shall return the Leased Premises to Lessor undamaged, and in its original condition, ordinary wear and tear excepted;
- 10. Lessee shall pay reasonable charges (other than for ordinary wear and tear) for the repair of damages to the dwelling unit, or to the Property (including damages to Property buildings, facilities or common areas) caused by the Lessee, a member of the household or a guest, or any other person under Lessee's control;
- 11. Lessee shall act, and shall cause Lessee's household members, guests, and other persons under Lessee's control to act, in a manner which will not disturb other residents' peaceful enjoyment of their accommodations and will be conducive to maintaining the Property in a decent, safe and sanitary condition;
- 12. Lessee shall not make any alterations, additions, or redecoration on the Leased Premises without Lessor's prior written consent. All additions, fixtures, or improvements made by Lessee, except movable household furniture, shall become the property of Lessor and remain on the Leased Premises as a part of the Leased Premises, and shall be surrendered with the Leased Premises at the termination of this Lease.
- 13. Lessee shall assure Lessor that neither Lessee, any member of Lessee's household, nor any guest engages in (i) any criminal activity that threatens the health, safety or right to peaceful enjoyment of the Property by other residents; or (ii) any drug-related criminal activity *on or off* the Property. As used in this Section 10 and in Section 21 of this Lease, "drug-related criminal activity" means the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug; and the term "drug" means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802).
- 14. Lessee shall assure Lessor that no person under the Lessee's control engages in (i) any activity that threatens the health, safety, or right to peaceful enjoyment of the Property by other residents; or (ii) any drug-related criminal activity on the Property.
- B. The repeated or serious violation of any provision of this Section shall be cause for termination of this Lease and for eviction from the unit. Without limiting the generality of the foregoing, a single violation of Section 10(A)(13) shall constitute a serious violation of this Lease.

11. DELAY IN DELIVERING POSSESSION, ABATEMENT OF RENT

If for any reason Lessor cannot deliver possession of the Leased Premises to the Lessee at the commencement of the Lease term, this Lease shall not be void or voidable, nor shall the Lessor be liable to the Lessee for any loss or damage resulting therefrom nor shall the term of this Lease be extended; in lieu of damages, rent shall be abated for the period between the commencement of the Lease term and the time when the Lessor delivers possession.

12. OCCUPANCY OF DISABLED ACCESSIBLE UNIT AND REASONABLE ACCOMMODATIONS

- A. **Disabled Accessible Units:** If Lessee does not have a disability requiring accessible features, and resides in an accessible unit, Lessee agrees to move to the next available unit of the same or suitable size not having such features within thirty (30) days of notification by Lessor.
- B. **Reasonable Accommodations:** For all aspects of the Lease and the applicable Grievance Procedure, a disabled person shall be provided reasonable accommodations to the extent necessary to provide the disabled person with an opportunity to use and occupy the dwelling unit equal to a non-disabled person. The Lessee may, at any time during the term of the Lease, request a reasonable accommodation of a disability of a household member, including a reasonable accommodation so that the Lessee can meet Lease requirements.

13. TRUTH OF LESSEE'S REPRESENTATIONS

Lessee warrants that the information given by Lessee in the rental application is true. If any of such information is false, the Lessor may at Lessor's option terminate this Lease.

14. INSPECTION OF THE LEASED PREMISES

- A. **Pre-Occupancy Inspection:** Lessor and the Lessee jointly shall inspect the dwelling unit prior to commencement of occupancy by the Lessee. After such an inspection, Lessor shall furnish the Lessee with a written statement of the condition of the dwelling unit, and the equipment provided with the unit. The statement shall be signed by the Lessor and the Lessee, and a copy of the statement shall be retained by the Lessor in the Lessee's resident file.
- B. **Post-Termination Inspection:** Lessor shall give Lessee or his representative reasonable notice of the date and time when Lessor will inspect the Leased Premises after the date of termination of the tenancy to compile a list of any damage to the premises. Lessee shall have the right to be present at such inspection to verify the accuracy of such list, and Lessor shall provide a copy of such list to Lessee.

15. ENTRY OF A DWELLING UNIT

- A. **Reasons for Entry:** The Lessor shall, upon reasonable advance notification to the Lessee, be permitted to enter the dwelling unit during reasonable hours for the purpose of performing routine inspections and maintenance, for making improvement or repairs, or to show the dwelling unit for re-leasing. A written statement specifying the purpose of Lessor's entry delivered to the dwelling unit at least two days twenty-four hours before such entry shall be considered reasonable advance notification.
- B. **Keys:** Lessor shall be provided with and shall retain and use any copies of any keys necessary for access to the Leased Premises.
- C. **Routine Inspections:** It is agreed and understood that for routine inspection, preventive maintenance procedures, or city code inspections, posting a written notice in the central mail delivery area and/or in a central utility area of the Property shall be regarded as notice to enter.
- D. **Emergencies:** Lessor may enter the dwelling unit at any time without advance notification when there is reasonable cause to believe that an emergency exists, such as fire, flood or other hazardous conditions or where there is reasonable cause to believe that an emergency exists.
- E. **Adult Household Members Absent:** If the Lessee and all adult members of the household are absent from the dwelling unit at the time of entry, the Lessor shall leave in the dwelling unit a written statement specifying the date, time and purpose of entry prior to leaving the dwelling unit.

16. LESSEE'S ABSENCE

- A. Lessee shall notify Lessor of any anticipated extended absence from the Leased Premises in excess of seven (7) days, no later than the first day of such absence. During the absence, Lessor may enter the Leased Premises at times reasonably necessary for inspection to preserve the Leased Premises.
- B. **Absence of Military Personnel, including Adult Children.** In all situations where a member of Lessee's household is called to active military duty, his/her absence will be treated in accordance with HUD

Guidelines, including HUD Notice PIH 2003-5, and any other public housing handbooks or notices. In such cases, Lessor shall review the Lessee's specific circumstances and will work with Lessee to support Lessee's military family with actions which may include, but are not limited to, allowing a suitable guardian to move into the unit to care for dependents if a head of household is the military personnel called to active duty and determining whether late rent payments are appropriate.

17. ABANDONMENT

Subject to Section 16(B), the Leased Premises shall be deemed abandoned when the occupants have vacated the Leased Premises without notice to the Lessor and do not intend to return, which intention may be evidenced by the removal by the occupants or their agent of substantially all of their possessions and personal effects from the premises and either (1) nonpayment of rent for more than two months or (2) an express statement by the occupants that they do not intend to occupy the premises after a specified date. In the case of such abandonment, the Lessor may re-take possession of the Leased premises.

18. CONDEMNATION

If the whole or any substantial part of the Leased Premises is taken or condemned by any competent authority for any public use or purpose, the terms of this Lease shall, at the option of the Lessor, be terminated upon the date when possession of the part so taken shall be required for such taking. Lessor shall be entitled to receive the entire condemnation award or damages without apportionment with Lessee. Rent shall be adjusted as of the date of Lessee's vacating as the result of such condemnation.

19. DAMAGE OR DESTRUCTION OF LEASED PREMISES; REPAIRS

- A. **Notice by Lessee:** Lessee shall immediately notify Lessor of any damage to the unit which could be hazardous to the life, health or safety of the occupants.
- B. **Repairs:** After such notice, the Lessor shall be responsible for repair of the unit within a reasonable time, provided that if the damage was caused by the Lessee, Lessee's household or visitors, guests or persons under Lessee's control, the reasonable cost of the repairs shall be charged to the Lessee.
- C. **Alternative Accommodations:** The Lessor shall offer standard alternative accommodations, if available, where necessary repairs cannot be made within a reasonable time.
- D. Rent Abatement: Provisions shall be made for abatement of rent in proportion to the seriousness of the damage and loss in value as a dwelling if repairs are not made within a reasonable time after proper notice or alternative accommodations are not provided, except that no abatement of rent shall occur if the Lessee rejects the alternative accommodation or if the damage was caused by the Lessee, Lessee's household or visitors, guests, or persons under Lessee's control.

20. LEASE TERMINATION DUE TO DEATH OR INCAPACITY OF LESSEE

- A. Upon the death of a sole or surviving Lessee, either Lessor or the personal representative of the Lessee's estate may terminate this Lease upon thirty (30) days written notice, to be effective on the last day of a calendar month. The Lessee's estate shall be liable for the rent to the end of the notice period or to the date that the unit is re-rented, whichever date comes first. The termination of a Lease under this Paragraph shall not relieve the Lessee's estate from liability either for payment of rent or other amounts owed prior to or during the notice period, or for the payment of amount necessary to restore the dwelling unit to its condition at the beginning of the Lessee's occupancy, normal wear and tear excepted.
- B. If upon the death of a sole or surviving Lessee there is at least one household member (not a live-in aide) living in the household who is of legal age and capacity to execute a lease, and provided that no other cause for termination or non-renewal of the lease exists, a new lease may be executed with such household member as Lessee. If no remaining household member living in the household is eligible or qualified to execute a lease, Lessor may permit an adult member of the family not living in the household to execute a lease as Lessee in order to avoid eviction of remaining household members, provided that such new Lessee satisfies all applicable eligibility and screening criteria.
- C. If during the term of this Lease, Lessee, by reason of physical or mental impairment, is no longer able to comply with the material provisions of this Lease, taking into consideration reasonable accommodations

that can be offered by Lessor to Lessee, and Lessor cannot make or is not required by law to make a reasonable accommodation to enable the Lessee to comply with the Lease, then action shall be taken to terminate the Lease. Lessor will use its reasonable efforts to assist Lessee or designated member(s) of Lessee's family to move. If the nature of the inability to comply with the material provisions on this Lease are such that such inability, in the reasonable judgment of Lessor, can be cured by the assumption of Lessee responsibility by a household member (not a live-in aide) living in the household who is of legal age and capacity to execute a lease, or by an adult member of the family not living in the household, while the impaired individual remains in occupancy, Lessor, in its reasonable discretion, may permit such remaining member of the household or adult member of the family not living in the household to execute a lease as Lessee in order to avoid eviction of the impaired occupant, provided that such new Lessee satisfies all applicable eligibility and screening criteria.

21. TERMINATION OF THE TENANCY BY LESSOR

A. Grounds for Termination during Term.

During the term of this Lease (including the initial Lease term or any renewal Lease term, or during the term of any one-month extension of the Lease term), Lessor may terminate this Lease for violations of material terms of the Lease, such as, but not limited to, the following, or for other good cause:

- 1. Lessee's failure to pay rent or other payments when due.
- 2. Lessee's repeated failure to pay rent or other charges when due. "Repeated failure" means that Lessee has paid Lessee's rent, additional charges as described herein, or other charges late three (3) or more times during a twelve (12) month period;
- 3. Lessee causing serious damage (exceeding \$500.00) to an apartment or common area;
- 4. Lessee causing danger or serious problems for other residents or the agents of Lessor;
- Conviction of a household member of a drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.
- 6. Lessee, a household member, or a guest engaging in drug-related criminal activity on or off the Property;
- 7. A person under the Lessee's control engaging in drug-related criminal activity on the Property;
- 8. A household member's illegal use of a drug or engagement in a pattern of illegal drug use that threatens the health, safety, or right to peaceful enjoyment of the Property by other residents;
- 9. A household member's abuse or pattern of abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the Property by other resident;
- 10. Lessor's furnishing of false or misleading information concerning illegal drug use, alcohol abuse, or rehabilitation.
- 11. Lessee is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime that is a felony under the laws where the person is fleeing;
- 12. Seizure of an offensive weapon or illegal drugs in the Leased Premises by a law enforcement officer;
- 13. Lessee's violation of a condition of probation or parole imposed under federal or state law;
- 14. Lessor's determination or discovery that Lessee or a member of Lessee's household is required to register or is registered under any Federal, State or local sex offender lifetime registration requirement;
- 15. Lessee's furnishing of any false, misrepresented or misleading information during the application or renewal application process;
- 16. Lessee's failure to allow inspection of Lessee's apartment when required in accordance with Section 14 of this Lease;
- 17. Lessee's failure to obtain or maintain utilities in Lessee's dwelling unit;
- 18. Lessee's failure to accept Lessor's offer of a revision to this lease, or to the LIHTC Lease Addendum or the Public Housing Unit Lease Addendum if applicable, which is proposed and adopted in accordance with Section 31 of this Lease.

B. Additional Termination Information.

- 1. Lessor May Consider All Circumstances: In deciding to evict for criminal activity, the Lessor shall have discretion to consider all of the circumstances of the case, including the seriousness of the offense, the extent of participation by household members, and the effects that the eviction would have on household members not involved in the proscribed activity. In appropriate cases, the Lessor may permit continued occupancy by remaining household members and may impose a condition that household members who engaged in the proscribed activity will not reside in the unit. A Lessor may require a household member who has engaged in the illegal use of drugs (but not in drug-related criminal activity) to present evidence of successful completion of a treatment program as a condition to being allowed to reside in the unit.
- 2. **Lifetime Restrictions on Assistance.** Notwithstanding any other provisions herein, Lessor shall have no discretion regarding eviction of household members convicted of manufacturing methamphetamine on the premises of federally assisted housing and/or for eviction of household members subject to a lifetime registration requirement under Ohio state law. Such household members shall not be permitted to reside in the Leased Premises.
- 3. **Zero tolerance Tolerance for Criminal Activity.** The Lessor endorses and enforces the "One Strike and You're Out" policy which provides for zero tolerance of illegal drug use and criminal activity by

residents, their households and their guests. It is an express condition of this Lease Agreement that the Lessee, household members and invited guests will refrain from criminal activity as defined below, including illegal drug use. Failure to meet this obligation is a violation of this Lease and cause for immediate eviction where permitted by state law, even if it is a first offense and even if some household members were unaware of the activity. If the Lessee or guest or another person on the premises with Lessee's consent engages in criminal activity which threatens the health, safety, right of peaceful enjoyment of other residents or employees, including drug-related criminal activity, on or off public housing premises, while a resident in affordable housing, such criminal activity shall be deemed a serious violation of the material terms of this Lease and shall result in termination of tenancy. The term "drug-related criminal activity" means illegal manufacture, sale distribution, use or possession with intent to manufacture, sell, distribute, or use of a controlled substance (as defined in the Controlled Substances Act-21 U.S.C. 802(b)). Arrest and/or conviction are not required for Lessor to commence eviction proceedings pursuant to this section. Lessor does not evict the victims of violence. An incident or incidents or actual or threatened domestic violence, dating violence, dating violence or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence. The HAAMHA may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. The HAAMHA may honor court orders regarding the rights of access or control of the property, including Emergency Protective Orders, Domestic Violence Orders, and other orders issued to protect the victim and issued to address the distribution or possession or property among household members where the family "breaks up." There is no limitation on the ability of the **HAAMHA** to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence, dating violence or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims. There is no prohibition on the **HAAMHA** terminating assistance if it "can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant's (victim's) assistance is not terminated." Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

- 4. Lessee must move out of Lessee's apartment if Lessor terminates Lessee's Lease. If Lessor terminates Lessee's Lease and Lessee refuses to leave, Lessor will file an action for possession in the appropriate court seeking to evict Lessee. In any action or proceeding to enforce the terms of this lease including but not limited to the service of a late letter, a notice to quit, or the institution of an action for possession, Lessee agrees to pay Lessor's reasonable attorney's fees and costs of such action or proceeding.
- 5. **Notification of Post Office:** When Lessor evicts an individual or family from a dwelling unit for engaging in criminal activity, the Lessor shall notify the local post office serving that dwelling unit that such individual or family is no longer residing in the dwelling unit. This will be done so that the post office will terminate delivery of mail for such persons at the unit, and that such persons not return to the Property for pickup of the mail.

C. Lease Termination Notice.

- 1. **Amount of Notice:** Lessor shall give written notice of Lease termination pursuant to Section 21(A) of its intention to begin a state court action to recover possession of the Leased Premises in accordance with the Ohio General Statutes.
- 2. **Content of Notice:** The notice of Lease termination pursuant to Section 21(A) to the Lessee shall state specific grounds for termination, and shall inform the Lessee of the Lessee's right to make such reply as the Lessee may wish. The notice shall also inform the Lessee of the right to examine Lessor documents directly relevant to the termination or eviction. When the Lessor is required to afford Lessee the opportunity for a hearing, the notice shall also inform Lessee of his or her right to request a hearing in accordance with the Lessor's Grievance Procedure.
- 3. **Grievance Procedure:** When the Lessor is required to afford the Lessee the opportunity for a hearing concerning the Lease termination under the Lessor's Informal Review, Informal Hearing and or Grievance Procedure, the tenancy shall not terminate (even if any notice to vacate under State or local

law has expired) until the time for the Lessee to request a hearing has expired, and (if a hearing was timely requested by the Lessee) the hearing process has been completed.

- 4. **Hearing Not Required:** When the Lessor is not required to afford the Lessee the opportunity for a hearing concerning the Lease termination under the Lessor's Informal Review, Informal Hearing and or Grievance Procedure, and the Lessor has decided to exclude such complaint from the Lessor's Informal Review, Informal Hearing and or Grievance Procedure, the notice of Lease termination shall:

 (a) state that Lessee is not entitled to a hearing on the termination; (b) specify the judicial eviction procedure to be used by the Lessor for eviction of Lessee, and state that this eviction procedure provides the opportunity for a hearing in court that contains the basic elements of due process (as defined in HUD regulations); and (c) state whether the eviction is for criminal activity that threatens the health, safety or right to peaceful enjoyment of the Property by other residents or for drug related criminal activity on or near the Property.
- 5. **Right of Lessee to Examine Documents:** The Lessor shall provide the Lessee a reasonable opportunity to examine, at the Lessee's request, before a hearing or court trial concerning a termination of tenancy or eviction, any documents, including records and regulations, which are in the possession of the Lessor, and which are directly relevant to the termination of tenancy or eviction. The Lessee shall be allowed to copy any such document at the Lessee's expense.
- 6. **State Law Notice:** A notice to vacate which is required by State or local law may be combined with, or run concurrently with, a notice of Lease termination under this Section.

D. Lessor Election to Not Renew Lease

The Lessor may elect to not renew the Lease at the end of the initial Lease term or any renewal Lease term, or at the end of any one-month extension of the Lease term, and to terminate the tenancy and recover possession of the Leased Premises, in accordance with State or local law and by written notice to the Lessee which shall be delivered not less than thirty (30) days before the end of the initial or renewal Lease term, or the end of the one-month extension upon which the Lessor elects to terminate the tenancy and recover possession of the Leased Premises. Lessor's election to not renew the Lease in accordance with this Section D shall not give rise to an opportunity for hearing under the Lessor's Informal Review, Informal Hearing and Grievance Procedure.

22.TERMINATION OF LEASE BY LESSEE

Written Notice Required: Lessee may terminate the Lease on any date after the end of the initial term of this Lease, by providing written notice to the site manager by the first day of the month, which will become effective thirty (30) days after the first day of the month or at a later date, not to exceed sixty (60) days from the date of receipt, as stipulated in the notice. The notice must state the precise date the Lessee intends to vacate the unit and may not give an approximate date or a "spread".

23. PROCEDURES UPON TERMINATION OF LEASE

- A. **Procedures for Vacating Unit:** Upon the termination of this Lease, Lessee shall deliver immediate possession of the Leased Premises to Lessor and deliver all keys to the Lessor at the site management office, or as Lessor otherwise directs, which action shall establish the date and time of vacation of the Leased Premises by the Lessee.
- B. **Post-Termination Inspection:** Lessor and Lessee shall conduct a post-termination inspection according to the procedures established in Section 14(B) of this Lease.
- C. Remedies if Lessee Refuses to Vacate upon Termination of the Lease: Lessee agrees that in the event Lessee fails to vacate the Leased Premises upon termination of this Lease, Lessee shall pay as liquidated damages for the entire time that possession is withheld a sum equal to two times the amount of rent or use and occupancy herein reserved, pro-rated per day of such withholding.
- D. **No Waiver:** No action or failure to act by Lessor, except as herein provided, shall operate as a waiver of Lessor's right to terminate this Lease and Lessee's right of possession nor operate to extend the term thereof.

24. REMEDIES CUMULATIVE, NON-WAIVER OF OBLIGATIONS

- A. All rights and remedies given to Lessee or to Lessor shall be distinct, separate and cumulative, and the use of one or more thereof shall not exclude or waive any other right or remedy allowed by law, unless specifically limited or waived in this Lease.
- B. Lessee's obligation to pay rent during the term or any extension thereof or any hold over tenancy shall not be waived, released or terminated by: the service of any notice; demand for possession; notice of termination of tenancy; institution of any action or ejectment; any judgment for possession; or any other act or acts resulting in termination of Lessee's right of possession.
- C. Failure of Lessor to seek redress for the violation of, or to insist upon, the strict and prompt performance of any covenants or conditions of this Lease or of any rules and regulations referenced in Sections 9 and 10 hereof shall not operate as a waiver of any such violation or of Lessor's right to insist upon prompt compliance in the future with such covenant or condition, and shall not prevent a subsequent action by Lessor for any such violation. Acceptance by Lessor of any late payment of rent or additional rent shall not constitute a waiver of any rights of Lessor, including, without limitation, the right to terminate this Lease as herein provided. The receipt of any rent or additional rent by Lessor with the knowledge of such breach shall not operate as a waiver of such breach. No provision, covenant or condition of this Lease may be waived by Lessor unless such waiver is in writing and signed by Lessor.

25. NOTICE PROCEDURES

- A. **Notice to Lessee:** Notice to the Lessee shall be in writing and delivered to the Lessee or to an adult member of Lessee's household residing in the dwelling or sent by prepaid first-class mail properly addressed to Lessee, or as otherwise required by law. If the Lessee is visually impaired, all notices will be in an accessible format.
- B. **Notice to Lessor:** Notice to the Lessor shall be in writing, delivered to the site management office or the Lessor's central office or sent by prepaid first-class mail properly addressed.
- C. **TIME IS OF THE ESSENCE UNDER THIS LEASE.** All references to any notice required to be given or due dates for rental payments shall be strictly construed.

26. RULES AND REGULATIONS

The Lessor's necessary and reasonable regulations, promulgated by Lessor for the benefit and well-being of the Property and the residents, are hereby incorporated into this Lease. These regulations will be posted in the site management office and will be furnished to Lessee on request. Prior to modification of these regulations, Lessor will provide a 30-day written notice to Lessee setting forth the proposed modification, the reasons therefor, and providing Lessee an opportunity to present written comments which shall be taken into account by Lessor prior to the modification becoming effective.

27. MORTGAGE ON PROPERTY

This Lease and the estate of Lessee shall be subject and subordinate to any present or future deeds of trust, deeds to secure debt, and mortgages on the real estate (or any part of it) upon which the Leased Premises is situated and to all advances upon the security of such deeds of trust and mortgages.

28. MILITARY ACTIVATION

If Lessee is called to active military duty during the term of this Lease, Lessee shall present to Lessor official orders activating Lessee; then and in that event, this Lease shall be controlled by the Soldiers and Sailors Relief Act of 1940, as amended, 50 U.S.C.A. 50591. If Lessee is active military and presents to Lessor a copy of official orders of transfer to another military location, then and in that event, any liability of Lessee for future rents hereunder shall not exceed one (l) month's rent.

29. ENTIRE AGREEMENT AND PARTIAL INVALIDITY

A. The terms and conditions set forth in this Lease and any Attachments hereto specifically referenced herein constitute the entire agreement between the Lessee and Lessor. Subject to Section 31 hereof, no modification, waiver or amendment of this Lease shall be binding upon either the Lessor or Lessee unless

made in writing and executed by both parties. However, Lessor may amend the Rules and Regulations referred to in Section 26 above, and Lessee hereby acknowledges that Lessor shall at all times have and may exercise the authority to regulate reasonably the use of the Property and the Leased Premises.

B. This Lease and its Attachments make up the entire agreement between the Lessee and the Lessor regarding the Leased Premises. If any Court declares a particular provision of this Lease to be invalid or illegal, all other terms and conditions of the Lease will remain in effect and both the Lessor and the Lessee will continue to be bound by them.

30. LEASE BINDING ON HEIRS

All the covenants and the agreement of this Lease shall be binding upon and benefit the heirs, executors, administrators, successors, and assigns of Lessor and Lessee; provided, however, that the heirs or assigns of Lessee shall not have any right to possession of the Leased Premises except in accordance with Section 20 of this Lease. Lessee agrees, upon request and at any time and from time to time throughout the Lease term, to attorn to Lessor, its successors and assigns, to any mortgagee-in-possession or purchaser of Lessor's estate at any foreclosure sale or pursuant to a deed in lieu thereof, and/or to any other successor to Lessor's interest hereunder, however title is acquired, as being Lessor's successor "Lessor" hereunder for all purposes of this Lease.

31. REVISION OF LEASE

- A. This lease may be amended at any time by written agreement between Lessor and Lessee.
- B. Lessor may propose changes in the form of this Lease, the LIHTC Lease Addendum, or of the Public Housing Unit Lease Addendum by written notice to all tenants who will be affected by the change, and to any resident organization, setting forth the proposed changes and providing an opportunity to present written comments which shall be appropriately considered by lessor-Lessor before adoption of the proposed changes. Such written notice of proposed changes shall be given at least sixty (60) calendar days before the lease revision is scheduled to take effect, and shall specify a reasonable time limit for acceptance of the changes by Lessee. Lessee's failure to accept Lessor's offer of a revision to this Lease, or any applicable Addendum, that is proposed and adopted in accordance with this provision shall constitute grounds for termination of this Lease under Section 21.

32. DEFINITIONS; HEADINGS

- A. **Definitions:** "Lessor" as used in this Lease shall include its representatives, heirs, agents, assigns and successors in title to the Leased Premises. "Lessee" shall include his heirs, executors, administrators, and representatives. The terms "Lessor" and "Lessee" include singular and plural, corporation, partnership or individual, and masculine or feminine genders, as may fit the particular parties. "Lease" as used in this Lease shall refer to this agreement between Lessee and Lessor.
- B. **Headings:** All headings used in this Lease and in the accompanying attachments hereto are inserted only for convenience and ease of reference, and are not to be considered in the construction or interpretation of any provision of this Lease.

33. NON SMOKING POLICY. CHECK IF APPLICABLE (EDGEWOOD VILLAGE 5 and EDGEWOOD VILLAGE SOUTH)

- A. Lessee agrees and acknowledges that the premises to be occupied by Lessee and members of Lessee's household have been designated as a smoke-free living environment. Lessee and members of Lessee's household shall not smoke anywhere in the unit rented by Lessee, or the building where the Lessee's dwelling is located or in any of the common areas or adjoining grounds of such buildings or other parts of the rental community, nor shall Lessee permit any guests or visitors under the control of Lessee to do so.
- B. Lessee shall inform Lessee's guests of the no-smoking policy. Further, Lessee shall promptly give Lessor a written statement of any incident where tobacco smoke is migrating into the Lessee's unit from sources outside of the Lessee's apartment unit.

EDGEWOOD VILLAGE PUBLIC HOUSING UNIT LEASE ADDENDUM

The Leased Premises occupied by Lessee receives the benefit of certain assistance provided by the Akron Metropolitan Housing Authority ("Housing Authority"). As a result, the Edgewood Village, LLC Residential Lease for Leased Premises (the "Lease") receiving the benefit of such assistance is amended by the following provisions, which supersede any contrary provisions of the Lease.

1. Term of Lease

During the term of the Lease, including any renewal or extension thereof, or at the expiration of the term of the Lease, Lessor may terminate the Lease and the tenancy of Lessee only for serious or repeated violations of material terms of the Lease, or for other good cause, in accordance with the conditions set forth in Sections 20 or Subsection A of Section 21 of the Lease, Section 5 of this Addendum, or the LIHTC Lease Addendum (if applicable). At expiration of the initial Lease term, and notwithstanding any other provision of the Lease, the Lease shall be extended automatically for successive terms of twelve (12) months each, unless terminated or otherwise not extended according to the foregoing provisions or Section 22 of the Lease. Subsections C and D of Section 21 of the Lease shall not apply to a Lease which includes this Public Housing Unit Addendum.

2. Setting Lessee's Rent

- A. **Rent Options.** At the beginning of the initial Lease term and at the time of annual reexamination for each succeeding Lease term, Lessor will offer to Lessee the opportunity to choose between two methods for determining the amount of rent to be paid monthly by Lessee. Lessee may choose to pay (1) an income-based rent, or (2) a flat rent, determined as described below:
 - (1) Income-based rent. Under the income-based rent method, a monthly Total Tenant Payment is calculated as the highest of the following amounts, rounded to the nearest dollar:
 - (a) Thirty (30) percent of the family's monthly adjusted income, as determined based on information reported by Lessee and in accordance with policies adopted by Lessor consistent with HUD regulations; or
 - (b) Ten (10) percent of the family's monthly gross income, as determined based on information reported by Lessee and in accordance with policies adopted by Lessor consistent with HUD regulations; or
 - (c) If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated; or
 - (d) The minimum rent established by the Lessor consistent with HUD regulations.

The monthly rent payable by Lessee to Lessor under the income-based rent will be the amount of the Total Tenant Payment, less a Utility Allowance, appropriate for the size and type of unit, for utilities (electricity and gas) for which Lessee makes payments directly to the utility supplier, established by the Housing Authority in accordance with HUD regulations and LIHTC program requirements. If the Utility Allowance exceeds the Total Tenant Payment, the Lessee will pay no rent to Lessor and Lessor will pay the amount of such excess monthly to Lessee as a Utility Reimbursement. If Lessee's actual utility bills exceed the Utility Allowance, Lessee will be responsible for paying the actual bills in full to the utility suppliers. If Lessee's actual utility bills are less than the Utility Allowance, Lessee will receive the benefit of such savings.

(2) Flat rent. Under the flat rent method, the monthly rent is based on the market rent charged for comparable units in the private unassisted rent market, but not more than the amount allowable under the LIHTC program. While utility costs are taken into account when establishing the flat rent, a utility allowance (which is applied when calculating income-based rent) is not applicable to a lessee paying a flat rent.

Lessee has chosen for the initial Lease term the rent method checked below:

/X/	Income-based rent.	// Flat ren	ıt.
-----	--------------------	-------------	-----

The monthly rent stated in Section 5(A) of the Lease is the monthly rent payable to Lessor for the initial Lease term calculated in accordance with the foregoing method chosen by Lessee.

In accordance with 24 CFR 960.253 (a)(2), regardless of whether the family chooses to pay a flat rent or income-based rent, the family must pay at least the minimum rent of \$50.

B. Hardship Exceptions.

- (1) Income-based rent. A family which has elected an income-based rent and for which the Total Tenant Payment is the minimum rent will be granted an exemption from payment of the minimum rent because of financial hardship, as described in the Lessor's written policies. Financial hardship, for these purposes, includes:
 - (a) When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program;
 - (b) When the income of the family has decreased because of changed circumstances, including loss of employment;
 - (c) When the family would be evicted because it is unable to pay the minimum rent;
 - (d) When a death has occurred in the family; and
 - (e) Other circumstances determined by the Lessor.

If the Lessee requests a financial hardship exemption from payment of the minimum rent, Lessor will suspend the minimum rent requirement beginning the month following the Lessee's request for the exemption, and continuing until the Lessor determines whether there is a qualifying financial hardship and whether it is temporary or permanent. The Lessor may not evict the family for nonpayment of minimum rent during the 90-day period beginning the month following the Lessee's request for the exemption. If the Lessor determines that a qualifying hardship exists but is temporary (less than 90 days), the Lessor must reinstate the minimum rent requirement from the beginning of the suspension thereof but must offer the Lessee a reasonable repayment agreement for the amount of back minimum rent owed by the Lessee. If the Lessor determines that a qualifying hardship exists and is long-term, the Lessor will exempt the Lessee from the minimum rent requirement so long as such hardship exists. If the Lessor determines that there is no qualifying financial hardship, the Lessor must reinstate the minimum rent requirement, including back rent owed from the beginning of the suspension, and the Lessee must pay the back rent on terms and conditions established by the Lessor. If the Lessor denies the Lessee the minimum rent hardship exception, the Lessor may not require the Lessee to make an escrow deposit to obtain the grievance hearing.

- (2) Flat rent. In general, Lessee may change its choice of rent calculation method only annually, at the time of annual reexamination. However, if Lessee has chosen the flat rent method, Lessee may request a change from flat rent to income-based rent in between reexaminations if Lessee demonstrates that the family is unable to pay the flat rent because of financial hardship, as described in Lessor's written policies. Financial hardship, for this purpose, includes (a) decrease in family income because of changed circumstances, including loss or reduction of employment, death in the family, or reduction in or loss of earnings or other assistance; (b) an increase, because of changed circumstances, in expenses for medical costs, child care, transportation, education, or similar items; or (c) other serious or catastrophic financial situations as specifically approved by Lessor. If Lessor determines that the family is unable to pay the flat rent because of financial hardship, Lessor will allow the requested switch to income-based rent.
- C. **Information for Families.** For the Lessee to make an informed choice regarding the rent calculation method, Lessor shall provide, at the time of initial leasing and at any annual reexamination, written information regarding:
 - (1) Lessor's policies on switching type of rent in circumstances of financial hardship; and

(2) The dollar amounts of tenant rent for the family under each option.

3. Annual Reexamination; Other Rent Changes

- A. Annual Reexamination. Lessor will meet with Lessee at least annually to review Lessee's family income and composition, housekeeping, community service or self-sufficiency program participation (if applicable), lease compliance status, and other qualifications for continued occupancy. Lessor will send a letter setting up the meeting and advising Lessee of the information and documentation to be furnished by the Lessee in accordance with Lessor's reexamination procedures, and of third-party verification procedures which may be utilized by Lessor in connection with the reexamination. At Lessor's discretion, more than one meeting may be required annually. Lessee understands that Lessee's annual reexamination must be completed not later than thirty (30) days prior to the expiration date of Lessee's current Lease term. The reexamination required under this Addendum will be scheduled concurrently with the annual determination of continued eligibility under the LIHTC Program pursuant to the LIHTC Lease Addendum, if applicable. Following reexamination, Lessor must make appropriate adjustments in the rent after consultation with Lessee and upon verification of the information.
- B. Interim Rent Adjustments of Income-Based Rent. Lessee may request an interim reexamination of family composition because of changes since the last determination. Lessor shall make the reexamination within a reasonable time after the request and shall make appropriate adjustments in the rent upon verification of the information.
- C. Effective Date of Rent Change. Lessor will give Lessee a written notice of any change in the Lessee's rent. The notice shall be signed by Lessor and state the new amount the Lessee is required to pay and the effective date of the new rental amount. Once the new rental rate is established, it shall remain in effect until the next reexamination or renewal, unless another interim review and change is warranted or the Lessee elects to change to or from the flat rent method.
 - (1) Rent Decreases. Lessor will process rent decreases so that the lower rent amount becomes effective on the first day of the month after Lessee reports, in writing, and provides proof to Lessor of the change in household circumstances or income.
 - (2) Rent Increases. Lessor will process rent increases so that the higher rent becomes effective on the first day of the second month after the circumstances supporting the increase in rent were reported, or should have been reported by Lessee to Lessor. The rent will increase for the first day following the month the increase should have been reported in those cases of resident misrepresentation.
- D. Welfare TANF Rent Changes. Pursuant to HUD regulations, and notwithstanding the provisions listed above regarding the reduction of rent, Lessee's rent shall not be reduced if the decrease in the family's annual income is caused by a reduction in the welfare or public assistance benefits received by the family that is a result of the Lessee's failure to comply with the conditions of the assistance program requiring participation in an economic self-sufficiency program or other work activities. In addition, if the decrease in the family annual income is caused by a reduction in welfare or public assistance benefits received by the family that is the result of an act of fraud, such decrease in income shall not result in a rent reduction. In such cases, the amount of income to be attributed to the family shall include what the family would have received had the family complied with the welfare requirements or had the family not committed an act of fraud.

For purposes of rent adjustments, the reduction of welfare or public assistance benefits to a family that occurs as a result of the expiration of a time limit for the receipt of assistance, or for reasons other than those listed above, will not be considered a failure to comply with program requirements. Therefore, a Lessee's rent will be reduced as a result of such a verified decrease.

E. Underpayment of Rent ("Retro-rent"). Lessee hereby agrees to pay the difference between the rent that was paid and the greater amount of rent that should have been charged if: (i) Lessee had provided proper and timely notice (that is, within ten (10) days of the change) of an income change to Lessor; and/or (ii) Lessee had not provided improper or erroneous income related information at admission or at an annual, special, periodic or interim reexamination or review; and/or (iii) if resident was on a temporary rent which was too low. The amount of this rent is called "Retro-rent". If Lessor determines that the Retro-rent amount occurred innocently or by mistake, Lessee will be allowed to pay back the Retro-rent amount by first paying twenty-five percent (25%) of the outstanding total and the balance in equal installments over the next twelve (12) months. Lessee and Lessor must sign a repayment agreement documenting the repayment arrangements.

Such Retro-rent repayment must begin no later than the first day of the second month after Lessee gets a notice concerning the Retro-rent. If the Retro-rent occurred through fraud of the deceit or misrepresentation of Lessee, Lessee shall, in Lessor's option, pay the entire amount of the Retro-rent immediately (i.e., within 10 days). Lessee shall also be subject to the termination or nonrenewal of the Lease and the potential referral of the matter to applicable federal, state and county authorities. Notwithstanding the above, if a Lessee, or family member, fails to report annual gross income in the total amount of \$1500 or more, Lessor will consider such a failure as deliberate misrepresentation and the Lessee will be subject to lease termination and/or the nonrenewal of the lease.

- F. Overpayment of Rent ("Retro-credit"). Lessee hereby agrees and acknowledges that if Lessee has paid too much for rent, Lessor will give Lessee credit for the extra amount paid. This is called a "Retro-credit." No Retro-Credit will be given for any time period between the time Lessee should have reported the change and the time the change was actually reported to Lessor, or for any period of time prior to timely reporting excludable income pursuant to Paragraph 3 (B). All Retro-credits will go toward Lessee's future rent and other charges and will be credited the month after the Retro-credit is verified.
- G. **Temporary Rent.** Sometimes it may be impossible or difficult for Lessor to set the rent for the whole year because verification is incomplete. If this happens, Lessor will determine an estimated fair amount of rent for Lessee to pay for not more than two (2) months after a re-certification date. Later, Lessor will determine the precise amount that Lessee's rent should have been and Lessee agrees to pay the Retro-rent, or receive a Retro-credit in accordance with this Lease.

4. Occupancy Standards; Unit Size Changes

A. **Minimum Occupancy.** The following minimum occupancy standards will apply:

No. of Bedrooms	No. of Persons
1	1
2	2
3	3
4	4

B. Unit Size Changes. Lessee agrees that if due to a change in family composition the Leased Premises are no longer appropriate for the family under Lessor's occupancy standards, Lessee will accept a new lease for a public housing unit at another site or a transfer to another property managed by the Authority of the appropriate size if such a unit is available and such lease is offered by Lessor. Lessor must provide at least thirty (30) days notice of the availability of such other unit before Lessee shall be required to move.

5. Lease Termination

A. Termination by Lessor:

Lessor may terminate this Lease and Lessee's tenancy only for serious or repeated violations of material terms of the Lease, which grounds include serious or repeated violation of the grounds stated in Sections 20 and 21 of the Lease, and in Sections 1, 3, and 8 of the LIHTC Lease Addendum (if applicable). In addition, Lessor may terminate the Lease and Lessee's tenancy for the following causes:

- (1) Lessee's failure to provide timely and accurate statements of income, assets, expenses, and family composition requested by Lessor, to attend scheduled reexamination appointments, or to cooperate in the verification process.
- (2) Lessee's failure to accept a transfer to an appropriate size and available unit when required to do so pursuant to Section 4 of this Addendum.
- (3) Failure of any family member to comply with community service or self-sufficiency program participation requirements referenced in Section 6 of this Addendum (as grounds only for non-renewal of the Lease at expiration of the initial or any subsequent Lease term).

B. Notice of Lease Termination

Lessor must give Lessee written notice if the Lease is being ended for purposes of eviction or other termination. This notice is called a termination notice. **There are four kinds of termination notices:**

- (1) Fourt een (14) day's written notice if Lessee fails to pay rent pursuant to Section 21(A)(2) of the Lease;
- (2) Three (3) days' written notice for conduct that involves an criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premise of other residents or employees of Lessor, or any violent or drug-related criminal activity on or off the Property, without a right to grievance hearing;
- (3) Three (3) days' written notice where there is a danger to the health or safety of other residents or Lessor employees (other than arising from conduct described in (2) above), with a right to a grievance hearing (request for which must be made within the five-day period);
- (4) Thirty (30) days' written notice for all other causes, including nonpayment of "additional charges" described in Section 6 of the Lease, and subject to Lessee's rights to a grievance hearing.

The termination notice that Lessor provides shall state the reason for ending the Lease or evicting Lessee. It will also tell Lessee that Lessee can give Lessee's side of the story or such other answers as Lessee wants. It will also tell Lessee of Lessee's right in some cases to ask for a hearing under Lessor's Grievance Procedures and notify Lessee that s/he has the right at any time to review and copy (at Lessee's expense) any documents or regulations upon which the Lessor is relying that are directly relevant to the lease termination or eviction.

6. Community Service or Self-Sufficiency Activity Requirements:

- A. Each non-exempt adult family member residing in a public housing unit in the Property shall comply with the community service requirements set forth in Section 12(c) of the Housing Act of 1937, as it may be amended and as it may be implemented in regulations. Generally, these requirements require all adult family members who are not employed, elderly, or disabled, or otherwise exempted to contribute 8 hours per month of community service, or participate in an economic self-sufficiency program for 8 hours per month, or perform 8 hours per month of combined community service and economic self-sufficiency activities.
- B. Lessor will provide to Lessee a written description of the community service or self-sufficiency activity requirements, and of the process for claiming status as an exempt person.
- C. As part of the annual reexamination process pursuant to Section 3 of this Addendum, Lessor will review and determine compliance by all covered members of Lessee's family with the community service and self-sufficiency activity requirements. If Lessor determines that one or more covered members of Lessee's family has not complied with such requirements, Lessor will notify the Lessee of the noncompliance; that the finding of noncompliance is subject to administrative grievance procedures; and that unless the Lessee, and any noncompliant member of Lessee's family, enters into an agreement to cure such noncompliance by completing the additional hours of community service or economic self-sufficiency activity needed to make up the total number of hours required over the 12-month term of the new lease, or the noncompliant member of Lessee's family no longer resides in the unit, the Lease will not be renewed and Lessee will be evicted.

7. Inspections and Entry

A. Tenant agrees that the duly authorized agents, employees or representatives of Lessor will be permitted to enter Tenant's dwelling unit for the purpose of performing routine inspections and maintenance or for making improvements or repairs. Such entry may be made only during reasonable hours, after reasonable advance notice in writing to Tenant of the date, time and purpose provided. Written notice delivered to Tenant two (2) daystwenty-four hours in advance of entry shall be deemed to be reasonable advance notice. However, Management shall have the right to enter Tenant's dwelling unit at any time without prior notice to Tenant if Lessor reasonably believes that an emergency exists, which requires such entrance.

B. If Tenant and all adult members of the household are absent from the unit at the time of entry of the unit by Lessor, Lessor shall leave in the dwelling unit a written statement specifying the date, time and purpose of entry prior to leaving the dwelling unit.

8. Notices

- A. **Notices to Lessor.** Notices from Lessee to Lessor must be in writing, and either delivered to Lessor's office at the Property (if one exists) or Lessor's Central Office, or sent to Lessor by first class mail properly addressed, postage prepaid.
- B. **Notices to Lessee.** Any notice required hereunder will be sufficient if delivered in writing to Lessee's head of household personally or to an adult member of Lessee's family if sent by first class mail, properly addressed to Lessee with postage prepaid, except that a Notice to Quit shall be served in accordance with law. Notice delivered as set forth herein shall be deemed notice to all persons who have signed the lease, all family members set forth in Section 8 of the Lease, and all persons who occupy the premises and hold under them.
- C. Notices to Lessee of Adverse Action. Lessor shall notify Lessee of the specific grounds for any proposed adverse action by Lessor. Such adverse action includes, but is not limited to, a proposed lease termination, transfer of the Lessee to another unit, or imposition of charges for maintenance and repair, or for excess consumption of utilities. When Lessor is required to afford the Lessee the opportunity for a hearing under Lessor's Grievance Procedures for a grievance concerning a proposed adverse action:
 - (1) The notice of proposed adverse action shall inform the Lessee of the right to request such hearing. In the case of a lease termination, a notice of lease termination in accordance with Section 5 of this Addendum shall constitute adequate notice of proposed adverse action.
 - (2) In the case of a proposed adverse action other than a proposed lease termination, Lessor shall not take the proposed action until the time for the Lessee to request a grievance hearing has expired, and (if a hearing was timely requested by the Lessee) the grievance process has been completed.
- D. **Notices to Visually Impaired Lessees.** If Lessee is visually impaired, all notices to Lessee shall be in an accessible format.
- E. **Notices to Post Office.** If the Lessor evicts an individual or family from the Leased Premises for engaging in criminal activity, including drug-related criminal activity, the Housing Authority shall notify the local post office serving the Leased Premises that such individual or family no longer resides in the Leased Premises.

9. Miscellaneous Provisions:

- A. **Conflict.** If there is any conflict between the provisions of the Lease and any rules and regulations made by HUD governing leases such as the Lease and this Addendum, as such rules and regulations may be amended from time to time (the "HUD Rules"), the applicable provisions of the HUD rules will govern.
- B. **Governing Law.** This Lease shall be governed by and constructed in accordance with the laws of the State of Ohio and applicable HUD rules pursuant to the Housing Act of 1937 as amended and any other applicable statute.
- C. Lease References. With the exception of provisions in the Lease which conflict with this Addendum (in which case this Addendum shall govern), all provisions of the Lease shall remain unaltered and in full force and effect and are incorporated by reference herein.
- D. **Grievance Procedures.** All disputes concerning the obligations of Lessee and Lessor shall be presented in writing and shall be processed and resolved pursuant to the Grievance Procedures which are in effect at the time such grievances occurred, which procedures are incorporated herein by reference and shall be available for review by the Lessee. However, the Lessor's Grievance Procedures shall not apply to any grievance concerning a termination of tenancy or eviction that involves:

- (1) Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees of the Lessor,
- (2) Any drug related criminal activity on or off the premises.
- E. Pets. Lessee may keep pets only in accordance with the attached Pet Policy.

10. Domestic Violence (VAWA provisions):

- A. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking shall not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence and shall not be good cause for terminating the tenancy or occupancy rights of the victim of such violence. Additionally, criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a Lessee's household or any guest or other person under the Lessee's control, shall not be cause for termination of the tenancy or occupancy rights, if the Lessee or immediate member of the Lessee's family is a victim of that domestic violence, dating violence, or stalking.
- B. Notwithstanding subsection (a), or any Federal, State, or local law to the contrary, the Lessor may bifurcate a lease or remove a household member from a lease without regard to whether a household member is a signatory to a lease, in order to evict, remove, or terminate occupancy rights of any individual who is a lessee or lawful occupant and who engaged in criminal acts of physical violence against family members or others, without evicting, removing, or terminating occupancy rights, or otherwise penalizing the victim of such violence who is also a lessee or lawful occupant. Such eviction or removal of occupancy rights shall be effected in accordance with the procedures prescribed by Federal, State, and local law.
- C. The Lessor may request a certification that an individual is a victim of domestic violence, dating violence or stalking, and that the incident(s) in question are bona fide incidents of actual or threatened abuse. Such certification must include the name of the perpetrator, and may be in the form of (i) HUD Form 50066, or other HUD approved certification form, (ii) a court record, or (iii) documentation signed by an employee, agent or volunteer of a victim service provider, an attorney, or medical professional from whom the individual has sought assistance which attests to the bona fide existence of such actual or threatened abuse.

D. Nothing in this Section:

- 1. limits the Lessor from honoring court orders addressing rights of access to or control of the property, including civil protection orders issued to protect the victim or issued to address the distribution or possession of property among the household members in cases where a family breaks up;
- 2. limits the Lessor from evicting a lessee for any violation of a lease not premised on the act or acts of violence in question against the Lessee or a member of the Lessee's household, provided that the Lessor does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other lessees in determining whether to evict;
- 3. limits the Lessor from terminating the tenancy of any lessee if the Lessor can demonstrate an actual and imminent threat to other lessees or those employed at or providing service to the property if that lessee is not evicted:
- 4. supersedes any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.
- E. All information the Lessor may request to confirm domestic violence, dating violence or stalking victim status, pursuant to federal law, shall be retained in confidence by the Lessor, and shall neither be entered into any shared database nor provided to any related entity, except to the extent that disclosure is:
 - 1. requested or consented to by the individual in writing;
 - 2. required for use in an eviction proceeding; or
 - 3. otherwise required by applicable law.

Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;

The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair

"The AMHA will comply with affirmatively furthering fair housing requirements of 24CFR 903.7(o)

- Examining its programs or proposed programs;
- Identifying any impediments to fair housing choice within those programs;
- Addressing those impediments in a reasonable fashion in view of the resources available;
- Working with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and

Maintaining records reflecting these analyses and actions.

Reason for change: update Fair Housing requirements of 24CFR Part 903.7(o)

2. Chapter 1, page 1-4 Section G: Add to end of this sentence "military status, ancestry, sexual orientation and gender identity.

Reason for change: to include State of Ohio and City of Akron protected classes.

3. Chapter 2, page 2-4, section B, change the fourth and fifth bullet to read as follows and then add a 6th paragraph, all in bold:

When approval of a live-in aide is given, the family must submit a specific live-in aide's name and information for approval by the PHA within 60 calendar days of the PHA's notification. If the 60-day period expires, the voucher will be reduced to the bedroom size permitted based solely on family composition and the family will have to resubmit an application for approval of a live-in aide/attendant. An extension may be granted by the manager of HCVP for extenuating circumstances.

If the family removes the current approved live-in aide/attendant and does not submit a specific replacement live-in aide/attendant's name and information for approval by the PHA within 60 days of the PHA's notification, and the 60 day period expires, the voucher will be reduced to the bedroom size permitted based solely on family composition and the family will have to resubmit an application for approval of a live-in aide/attendant.

The live-in aide will be subject to AMHA's background screening criteria and annual proof of continued presence in the unit. The head of household will be subject to annual recertification of the continued disability/need for the live-in aide/attendant.

Reason for change: to update ADA language for clarification on live-in aides

- 4. Chapter 4, *Page 4-2 third bullet change as follows:*
 - 1. "Veteran" has the same meaning as assigned by the Ohio Revised Code 5901.01, which means either of the following:
 - a. A former member of the armed forces of the United States who served on active military duty and received an honorable discharge or honorable separation, a member of the armed forces of the United States who died on active military duty, or a member of the armed forces of the United States missing in action more than ninety days; or
 - b. A member of the United States merchant marine to whom either of the following applies:
 - i. The member has an honorable report of separation from the active duty military service, form DD214 or DD215.
 - ii. The member served in the United States merchant marine between December 7, 1941, and December 31, 1946, and died on active duty while serving in a war zone during that period of service.
 - "United States Merchant Marine" includes the United States Army transport service and the United State naval transport service.

Change of definition of "Family of veteran or service person" on page GL-5 changing the first bullet to read "Household that includes a veteran or the spouse of the deceased veteran or the legal guardian of the minor child(ren) of the deceased veteran. Delete the second bullet.

Reason for change: Veteran definition to be changed to match language of the ORC which AMHA takes the veteran definition.

5. Chapter 6, page 6-10: first paragraph change to read "Any adult not included on the HUD 50058 who has been in the unit more than **15** consecutive days without PHA approval, or a total of **60** days in a 12-month period, will be considered to be living in the unit as an unauthorized household member.

Reason for change: to allow more flexibility for clients to have guests.

6. Chapter 7-1 Section A: Replace the word "five," with "six."

Below the first sentence, change the list to:

1. Upfront Income Verification (UIV) using HUD's Enterprise Income Verification (EIV)

- 2. Upfront Income Verification (UIV) using non-HUD system
- 3. Written Third Party Verification
- 4. Written Third Party Verification Form
- 5. Oral Third Party Verification
- 6. Tenant Declaration

Reason for change: changed in accordance to new PIH 2010-19 notice, Administrative Guidance for Effective and Mandated Use of the Enterprise Income Verification (EIV) System.

7. Chapter 7-2 - under use of HUD's Enterprise Income Verification System – add – The EIV must be used for each new admission, historical adjustment, annual reexamination and interim reexamination.

Reason for change: changed in accordance to new PIH 2010-19 notice

8. Chapter 7-3 above Third-Party Written Verification; insert the following:

Upfront Income Verification Using Non-HUD Systems (Optional)

In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

Third-Party Written Verification

Written Third Party Verifications are an original or authentic document generated by a third party source dated either within the 60-day period preceding the reexamination or PHA request date. Such documentation may be in possession of the tenant. The PHA may, at its discretion, reject any tenant-provided documents and follow up directly with the source to obtain necessary verification of information.

Examples would include:

- Pay stubs
- Bank statements
- Printouts from Pharmacies

Reason for change: In accordance with new PIH 2010-19 notice

9. Chapter 7-3 change to say "Written Third Party Verification Form"

Delete entire bolded section on 7-4.

Reason for change: In accordance with new PIH 2010-19 notice

10. Chapter 7, page 7-4: Delete <u>Review of Documents section</u> and <u>Self-Certification/Self</u> <u>Declaration</u> on 7-4

Add - Tenant Declaration

11. Page 10-6, section J: All existing bullets are changing to ones below:

J. DETERMINATION OF RESPONSIBILITY [24 CFR 982.404]

Certain HQS deficiencies are considered the responsibility of the family:

- The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the tenant;,
- The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the tenant; or
- Any member of the household or guest damages the dwelling unit or premises (damages beyond ordinary wear and tear).

Reason for change: to match updated language in CFR

12. 12-4 C: REPORTING INTERIM CHANGES

Add "in writing," to the end of the first sentence of the first paragraph.

Below all other paragraphs, add:

An interim reexamination does not affect the date of the annual recertification.

Reason for change: to condense and clarify (Mike)

Below the **PHA Errors** section on 12-5, delete D. then add:

Standard for Timely Reporting of Changes

The PHA requires that families report interim changes **in writing**, to the PHA within **10** days of when the change occurs.

If the change is not reported within the **10 day** time period, it will be considered untimely reporting.

Procedures when the change is Reported in a Timely and Untimely Manner

The PHA will notify the family and owner of any change in the Housing Assistance Payment to be effective according to the following guidelines:

Timely reporting

<u>Increases in the Tenant Rent</u> are effective on the first of the month following at least thirty days' notice.

<u>Decreases in the Tenant Rent</u> are effective the first of the month following that in which the change is reported.

Untimely reporting

Unreported changes that would have resulted in the processing of an interim reexamination, which would increase the tenants rent, will result in a retroactive change. The family will be liable for any overpaid HAP/UAP, and may be required to sign a Repayment Agreement and/or make a lump sum payment. If an unreported change would have resulted in a decrease in tenants rent there will be no retroactive adjustment.

Reason for changes: to condense and clarify

13. Chapter 14, Page 14-3: add final sentence to paragraph that is underlined:

Housing assistance payments are paid to the owner under the terms of the HAP contract. If the owner has begun eviction and the family continues to reside in the unit, the PHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant. By endorsing the monthly check from the PHA, the owner certifies that the tenant is still in the unit, the rent is reasonable, and the owner is in compliance with the contract.

Reason for change: additional final sentence to be added to update language from the CFR.

14. Chapter 14, page 14-3: delete second sentence of page "The owner eviction notice means a notice to vacate, or a complaint, or other initial pleading used under State or local law to commence an eviction action." And replace with "The owner eviction notice means a copy of the eviction complaint filed in court." (not bold)

Reason for change: to clarify definition of owner eviction notice per Legal Aide

15. Chapter 14, page 14-3, add bolded below:

If an eviction is not due to a serious or repeated violation of the lease, and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the

family can move with continued assistance, if the family has provided AMHA with a copy of the owner eviction notice within ten (10) days of issuance by the owner.

Reason for change: to clarify and match language in Chapter 15 of the Admin Plan.

- 16. Chapter 15, Page 15-3, under 'Grounds for Denial to Termination of Assistance" section, change:
 - The family has engaged in, or threatened abusive or violent behavior, toward PHA employees or agents.

Reason for change: to clarify language so that the Summit County Deputies working with AMHA will be covered.

17. Chapter 15, page 15-8 Section B: Add the following at end of section B:

TERMINATIONS DUE TO DOMESTIC VIOLENCE IN ACCORDANCE WITH VAWA

Criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy or occupancy rights, if the tenant or an immediate family member of the tenant's family is the victim or threatened victim of that domestic violence, dating violence or stalking.

The HA may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence of stalking to family members or others without terminating the assistance or evicting victimized lawful occupants.

The HA may honor court orders regarding the rights of access or control of the property, including Emergency Protection Orders (EPO), Domestic Violence Orders (DVO), and other orders issued to protect the victim and issued to address the distribution or possession or property among household members where the family "breaks up".

There is no limitation on the ability of the HA to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence, or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims.

There is no prohibition on HA terminating assistance if it "can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant's (victim's) assistance is not terminated."

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

Domestic violence incidents will be evaluated on a case by case basis. The HA may require certification by the individual of their victim status. When appropriate, the HA may accept medical and/or police records in lieu of certification. When required, certification shall be submitted on HA and/or HUD approved forms. The individual shall provide such certification within 14 business days after the HA requests such certification. If the certification is not received within the 14-day deadline, assistance may be terminated. The 14-day deadline may be extended at the discretion of the HA.

Reason for change; to update language to include VAWA

18. Chapter 15, page 15-10, punctuation and 'or' added to section as follows:

Lease Violations

The following criteria will be used to decide if a serious or repeated violation of the lease will result in termination of assistance:

- If the owner terminates tenancy through court action for serious or repeated violation of the lease, or
- If the owner notifies the family of termination of tenancy assistance for serious or repeated lease violations and the family moves from the unit prior to the completion of court action, and the PHA determines that the cause is a serious or repeated violation of the lease based on available evidence; or
- If there are police reports, neighborhood complaints or other third party information, that has been verified by the PHA.

Change the next paragraph to read "If the family requests assistance to move and they did not provide a copy to the PHA of an owner eviction notice within **10** days of receiving the Notice, the move will be denied.

Reason for change: to clarify policy

19. Chapter 15, page 15-10 to 15-11, change as follows:

Proposed Additions to the Family

The PHA will deny a family's request to add additional family members who are:

- Persons who have been evicted from public housing within the last three years (consistent with Chapter 2),
- Persons who have previously violated a family obligation listed in 24 CFR 982.551 of the HUD regulations within the last three years (consistent with Chapter 2),
- Persons who have been part of a family whose assistance has been terminated under the Certificate or Voucher program with the last three years (consistent with Chapter 2).
- Persons who have been convicted of drug-related criminal activity or violent criminal activity;

- Persons who do not meet the PHA's definition of family;
- Persons who have committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program,
- Persons who currently owe rent or other amounts to the PHA or to another PHA in connection with HCVP or public housing assistance under the 1937 Act,
- Persons who have engaged in or threatened abusive or violent behavior toward PHA employees or agents, or
- Persons who are subject to lifetime sex-offender registration.

Reason for change: to clarify

20. Chapter 15, page 15-12, Section F, changed as follows:

F. OPTION NOT TO TERMINATE [24 CFR 982.551, 24 CFR 982.552(c)]

If the family fails to timely, fully, and accurately any facts that caused the PHA to overpay assistance, the PHA may terminate assistance or, may offer to continue assistance provided that the family:

- executes a Repayment Agreement and makes payments in accordance with the agreement, or
- reimburses the PHA in full within 30 days.

If AMHA extends an offer to the participant to sign a Restitution Agreement in lieu of termination of assistance and the participant fails to sign the Agreement, AMHA will proceed with termination of assistance.

Reason for change: to update AMHA practices.

21.. Chapter 18, page 18-3, Section D, change as follows:

D. INFORMAL HEARING PROCEDURES [24 CFR 982.555(a-f), 982.54(d)(13)]

When the PHA makes a decision regarding the eligibility and/or the amount of assistance, the participant family must be notified in writing. The PHA will give the family prompt notice of such determinations which will include:

- The proposed action or decision of the PHA, including a brief statement of the reason for the decision,
- The date the proposed action or decision will take place,
- The family's right to an explanation of the basis for the PHA's decision,
- The family's right to request an informal hearing if they do not agree with AMHA's decision, and
- The deadline for the family to request an informal hearing.

Reason for change: updated to match language from CFR.

22. Chapter 18, page 18-3, Section D, add title of 'when hearing is required' as follows;

When Hearing is Required

The PHA must provide participants with the opportunity for an informal hearing for decisions related to any of the following PHA determinations:

Reason for change: to clarify

23. Chapter 18, page 18-4, change as follows:

Notification of Hearing

Change the 4th and 5th bullet from 7 days to 3 days (in bold)

Reason for change: to allow clients more time to prepare for hearings.

24. Chapter 18, page 18-4, change as follows:

The PHA's Hearing Procedures

- After a hearing date is scheduled, the family may request a continuance only upon showing "good cause," which is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the assisted family.
- If the family does not appear for the scheduled hearing, the hearing will proceed in the family's absence.
- If a family did not appear at the scheduled hearing, but experienced an unavoidable conflict which seriously affects the health, safety or welfare of the assisted family that prevented the family from appearing at the scheduled hearing; the family must contact AMHA's Legal Department within 24 hours, excluding weekends and holidays, and provide documentation of the unavoidable conflict. The PHA will reschedule the hearing only if the family can show good cause for the failure to appear. In these cases, the Hearing Officer will be directed not to issue a decision in the hearing held.
- In the case where a family is prevented from contacting AMHA within 24 hours of the missed hearing due to the unavoidable conflict, AMHA may disregard a Hearing Officer decision and reschedule the hearing at its discretion.

Reason for change: to reflect actual practice of AMHA Legal Department and clarify process for request of/granting of continuance to scheduled hearing.

25. Chapter 18, page 18-4 to 18-5, change as follows:

Under "Families have the right to:" delete the first bullet that reads "Present written or oral objections to the PHA's determination." Change the third bullet on page 18-5 to read "Present any information, evidence or witnesses pertinent to the issue of the hearing; "

Reason for change: to match updated language of CFR.

26. Chapter 18, page 18-5, changes as follows:

The informal hearing shall be conducted by the Hearing Officer appointed by the PHA who is neither the person who made or approved the decision, nor a subordinate of that person. The hearing may be conducted by:

Any AMHA staff member, other than those excluded above, and/or any third-party appointed by AMHA.

Reason for change: to be consistent with AMHA policy.

27. Chapter 18, page 18-5, bold this sentence:

The Hearing Officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision.

Reason for change: AMHA practice versus CFR.

28. Chapter 18, page 18-5 to 18-6, change as follows:

A notice of the hearing findings shall be provided in writing to the PHA within **10 work** days and shall include:

- A clear summary of the decision and reasons for the decision; and
- If the decision involves money owed, the amount owed **and documentation of the calculation of monies owed**.

AMHA will mail a copy of the hearing officer's decision to the family, along with a cover letter specifying the implications of the decision on the family's subsidy.

Reason for change: to clarify practice

Chapter 22

29. Chapter 22, page 22-1: Change last sentence of second paragraph to read "The AMHA receives funding or has applied for the following Targeted Funding programs: Shelter Plus Care, Family Unification Program, Welfare to Work, Money Follows The Person, and Veterans Affairs Supportive Housing."

Reason: The AMHA receives funding or has applied for additional Targeted Funding programs.

30. Chapter 22, page 22-2, #4: Add new sentence at end of paragraph to read "FSS staff ensures that each participant receives training and information on rights and remedies available under the federal, state and local fair housing and civil rights laws and a copy of the housing discrimination complaint form."

Reason: Added to match language in the Certification to Comply with Requirement to Affirmatively Further Fair Housing per section III.C.4.a(2) of the FY2010 HCV FSS Program grant application

31. Chapter 22, page 22-2, #5: Add new sentence at beginning of first paragraph to read "The FSS staff ensures that each FSS participant is informed how to file a fair housing complaint and given the toll-free number for the Housing Discrimination Hotline; 1-800-669-9777, contact local Fair Housing Assistance Agencies or the Federal Relay Service; 1-800-877-8339." Change second sentence in first paragraph to read "Participants may call the Fair Housing Discrimination Hot Line or contact the agencies below:"

Fair Housing Contact Service 330-376-6191 www.fairhousingakron.org

Fair Housing Advocates Association 330-253-2450 www.fairhousingadvocates.com

The second paragraph in #5 should read "FSS staff encourages participants to become knowledgeable of their rights and how to confidently address issues whether it is accessing services, achieving employment, or addressing fair housing issues. The FSS staff meets regularly to discuss the program and client case management. The FSS staff ensures that the services included in the participants' contracts of participation are provided on a regular, ongoing and satisfactory basis; that participants are fulfilling their responsibilities under the contracts; and that FSS escrow accounts are established and properly maintained for eligible families. All of these tasks should be accomplished through case management. FSS coordinators may also perform job development functions for the FSS program, and monitor the progress of participants and evaluate the overall success of the program. (SENTENCES 3-5 ARE BEING ADDED)When the FSS staff is made aware of potential fair housing discrimination against FSS participants, the FSS staff will encourage the participant in the reporting of the same, providing support and direction throughout the process, as needed."

The second paragraph should read as "The HCVP "Home For Me" Homeownership program supports the goal of expanding homeownership opportunities for very low income participants, increasing minority homeownership, and helping HUD assisted renters become homeowners. HCVP FSS staff includes Homeownership Coordinators who provide support and resources to all inquiries for the homeownership program. AMHA's Homeownership Program has made great strides in working with local lenders in assisting residents to become homeowners. FSS staff refers participants to nonprofit housing agencies that have funds for home purchase, encourages HCVP participants and landlords to purchase/sell homes, and promote networking with local CDCs/developers to expand housing and homeownership opportunities." NOTE: There were no changes made to this paragraph, with the exception of making it the second paragraph.

Delete this paragraph: AMHA has a Memorandum of Understanding (MOU) with the City of Akron to receive American Dream Down payment Initiative funds for Homeownership opportunities. **NOTE**: Paragraph was deleted because information update (Angela Johnson)

Add the fourth paragraph to read "The FSS program works with the Program Coordinating Committee (PCC) and with local service providers to ensure that FSS program participants are linked to the supportive services they need to achieve self-sufficiency."

In addition, record keeping reflecting the data for the FSS participants including, but not limited to, the race, ethnicity, familial status, and disability status of program participants will be maintained. **NOTE: There were no changes made to this.**

The Akron Metropolitan Housing Authority will adhere to our mission of building stronger neighborhoods by providing housing options and professional services for eligible residents of Summit County in partnership with the greater community and will affirm our fair housing practices and actively address fair housing issues. **NOTE:** There were no changes made to this.

Akron Metropolitan Housing Authority Admissions and Continued Occupancy Policy Summary of Revisions 2011

Updated the list of protected classes per the State of Ohio and City of Akron to include those in hold.

The PHA shall not, on account of race, color, sex, religion, familial status, disability, national origin; military status, ancestry, sexual orientation, gender identity:

Chapter 2, Section B (page 2-2,3)
B. FAMILY COMPOSITION

Definition of Family

Added.

A near-elderly family

Revision to heading in bold.

Live-in **Aides**

Revision in bold.

The PHA shall make the live-in aide subject to the agency's **background** screening criteria.

Revision in bold.

A live-in-aide may only reside in the unit with the approval of the PHA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor or **licensed social service professional.** The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near elderly (50-61) or disabled.

Added.

If AMHA approves a reasonable accommodation that increases the unit size for a family based upon disability, and that disability no longer exists, the family will be returned to a unit size that is based solely on the family composition of the household. The family will be placed on the transfer list for an appropriately-sized unit.

Chapter 2, Section G (page 2-10)

G. CRITERIA FOR HOUSING APPLICANTS AND HOUSEHOLD MEMBERS WITH CRIMINAL CONVICTIONS

Disclosure of Criminal Records to Family

Removed last sentence in bold. Does not apply to applicants.

Before the PHA takes any adverse action based on a criminal conviction record, the applicant and subject of record will be provided with a copy of the criminal record and an opportunity to dispute the record. Applicants will be provided an opportunity to dispute the record at an informal hearing. **Tenants may contest such records at the grievance hearing or court hearing in the case of evictions.**

Chapter 3, Section A (page 3-3)

A. HOW TO APPLY

Requirements to Attend the Orientation/Interview

Revisions to the application procedure in paragraph one are noted in bold.

If the family is claiming a waiting list preference, the family must provide documentation to verify their eligibility for a preference (see Chapter 7). If the PHA determines the family is not eligible for the preference, the family will be placed back on the waiting list based on their adjusted preference points, then date and time of their application.

Revised paragraph eight to eliminate the second appointment option and increase the time limit to reschedule.

If the family is unable to attend a scheduled interview, the family should contact the PHA within 30 days of the original appointment date, to schedule a new appointment. Failure to appear for the scheduled interview without a request to reschedule will be interpreted to mean that the family is no longer interested, and their Preliminary Application will be withdrawn. Such failure to act on the part of the applicant prevents the PHA from making an eligibility determination; therefore, the PHA will not offer an informal hearing.

Clients who fail to respond within 30 days will have the option to complete a new Preliminary Application.

Visitor use of the unit address and lack of evidence of any other address may be considered in determining if a visitor is an unauthorized household member in violation of the lease.

Visitor use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary may be considered in determining if a visitor is a permanent unauthorized household member in violation of the lease.

The family must request **and receive** PHA approval prior to visitors arriving **for any visitor** who will be in the unit in excess of **15** (**fifteen**) **consecutive days or 60** (**sixty**) **total** days in a twelve month period.

When the program is reactivated applicants on the wait list will be notified first, followed by a brief article in the Resident Support Services "Housing and More" newsletter. AMHA's Family Self Sufficiency and Bringing It Home programs continue to actively refer and promote affordable homeownership opportunities within the Akron and Summit County community.

Chapter 18, Section II (page 18-7) II. GLOSSARY OF HOUSING TERMS

Updates to the Disabled Person definition are in bold.

DISABLED PERSON. A person who has a disability as defined in 42 U.S.C 423 or a developmental disability as defined in 42 U.S.C. 6001.

Also includes a person who is determined, under HUD regulations, to have a physical or mental impairment that:

Is expected to be of long-continued and indefinite duration;

Substantially impedes the ability to live independently; and

Is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, means an "individual with handicaps" as defined in 24 CFR 8.3. Definition does not exclude persons who have AIDS or conditions arising from AIDS, but does not include a person whose disability is based solely on drug or alcohol dependence (for low-income housing eligibility purposes).

FAMILY. The applicant must qualify as a family as defined by the PHA.

Replaced the definition of Family with the following:

FAMILY. A Family may be a single person or a group of persons.

A group of persons is defined by the PHA as two or more persons who intend to share residency whose income and resources are available to meet the family's needs, and will live together in PHA housing.

Elderly, disabled, and displaced families are defined by HUD in CFR 5.403.

The term "Family" also includes, but is not limited to:

A family with or without children;

An elderly family;

A disabled family;

A near-elderly family;

A displaced family;

The remaining member of a tenant family;

A single person who is not elderly, displaced, or a person with disabilities, or the remaining member of a tenant family;

Two or more elderly or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides are a family;

Two or more near-elderly persons living together, or one or more near-elderly persons living with one or more live-in aides.

FAMILY OF VETERAN OR SERVICEPERSON. A family is a "family of veteran or serviceperson" when:

The veteran or serviceperson (a) is either the head of household or is related to the head of the household; or (b) is deceased and was related to the head of the household, and was a family member at the time of death.

The veteran or serviceperson, unless deceased, is living with the family or is only temporarily absent unless s/he was (a) formerly the head of the household and is permanently absent because of hospitalization, separation, or desertion, or is divorced; provided, the family contains one or more persons for whose support s/he is legally responsible and the spouse has not remarried; or (b) not the head of the household but is permanently hospitalized; provided, that s/he was a family member at the time of hospitalization and there remain in the family at least two related persons.

Replaced the definition of Family of Veteran or Service Person with the following:

FAMILY OF VETERAN OR SERVICE PERSON. A family is a "family of veteran or serviceperson" when:

The household includes a veteran or the spouse of the deceased veteran or the legal guardian of the minor child(ren) of the deceased veteran.

PUBLIC HOUSING GRIEVANCE PROCEDURE

The following sets forth the requirements, standards and criteria for the Public Housing Grievance Procedure ("Grievance Procedure") established and implemented by the Akron Metropolitan Housing Authority ("AMHA").

I. <u>DEFINITIONS</u> [24 CFR 966.53]

In this Grievance Procedure, the following terms have the meanings specified in this section:

.

- A. <u>Grievance</u>: Any dispute which a Tenant may have with respect to AMHA action or failure to act in accordance with the individual Tenant's lease or AMHA regulations which adversely affects the individual Tenant's rights, duties, welfare or status.
- B. <u>Complainant</u>: Any Tenant (as defined below) whose Grievance is presented to AMHA or at the project management office in accordance with the requirements presented in this procedure. [24 CFR 966.54 and 24 CFR 966.55(a)]
- C. <u>Elements of Due Process</u>: An eviction action or a termination of tenancy in a state or local court in which the following procedural safeguards are required:
 - 1. Adequate notice to the Tenant of the grounds for terminating the tenancy and for eviction;
 - 2. Right of the Tenant to be represented by counsel;
 - 3. Opportunity for the Tenant to refute the evidence presented by AMHA, including the right to confront and cross examine witnesses and to present any affirmative legal or equitable defense which the Tenant may have; and
 - 4. A decision on the merits.
- D. <u>Hearing Officer</u>: A person selected in accordance with this Grievance Procedure to hear Grievances and render a decision with respect thereto. [24 CFR 966.55]
- E. <u>Tenant</u>: The adult person (or persons)(other than a live-in aide):
 (1) who resides in the dwelling unit, and who executed the lease with AMHA as lessee of the dwelling unit, or if no such person now resides in the unit; or
 (2) who resides in the dwelling unit, and who is the remaining head of the household of the Tenant family residing in the dwelling unit.
- F. <u>Resident Organization</u>: An organization of residents, which also includes a resident management corporation.

II. GRIEVANCE PROCEDURE APPLICABILITY [24 CFR 966.51]

This Grievance Procedure shall apply to all Tenant Grievances with the following two exceptions:

- A. Because HUD has issued a due process determination that the law of the State of Ohio requires that a Tenant be given the opportunity for a hearing in court which provides the basic Elements of Due Process defined in 24 CFR 966.53(c) before eviction from the dwelling unit, this Grievance Procedure shall not be applicable to any termination of tenancy or eviction that involves:
 - 1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees of AMHA;
 - 2. Any violent or drug-related criminal activity on or off such premises; or
 - 3. Any criminal activity that resulted in a felony conviction of a household member.
- B. This Grievance Procedure shall not be applicable if Complainant fails to submit a request for an informal hearing within ten (10) work days after the incident giving rise to the grievance.
- C. This Grievance Procedure shall not be applicable to disputes between Tenants not involving AMHA or to class Grievances. This Grievance Procedure is not intended as a forum for initiating or negotiating policy changes between a group or groups of Tenants and AMHA's Board.

III. INFORMAL SETTLEMENT OF A GRIEVANCE [24 CFR 966.54]

Any Grievance shall first be personally presented, in writing, to the Development office within ten (10) work days after the incident giving rise to the Grievance. A sample complaint form is attached as Exhibit A. Grievances received by AMHA's central office will be referred to the person responsible for the management of the development in which the Complainant resides.

The Tenant's written Grievance must specify the reasons for Tenant's Grievance and the action or relief sought by Tenant. [24 CFR 966.55]

As soon as the Grievance is received, it will be reviewed by the development manager to be certain that none of the exclusions in Section II above applies to the Grievance. Should one of the exclusions apply, the Complainant will be notified in writing that the matter raised is not subject to AMHA's Grievance Procedure, with the reason therefore.

If none of the exclusions cited above apply, the Complainant will be contacted by the development manager or an AMHA representative within ten (10) work days to arrange a mutually convenient time to meet so the Grievance may be discussed informally and settled without a formal hearing. At the informal hearing the Complainant will present the Grievance and the development manager or AMHA representative will attempt to settle the Grievance to the

satisfaction of both parties.

Within five (5) work days following the informal discussion, AMHA shall prepare and either give or mail to the Complainant a summary of the informal discussion which specifies the names of the participants, the dates of the meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore, and shall specify the procedures by which a formal hearing under this procedure may be obtained if the Complainant is not satisfied. A copy of this summary shall also be placed in the Complainant's file.

Failure by Complainant to appear without rescheduling the informal hearing shall be considered as a waiver of the right to the Grievance process.

IV. FORMAL GRIEVANCE HEARING PROCEDURES

A. **Request for a Formal Hearing**: [24 CFR 966.55(a)]

If the Complainant is dissatisfied with the settlement arrived at in the informal hearing, the Complainant must submit a written request for a hearing to the development office where Tenant resides no later than ten (10) work days after the summary of the informal hearing is received. A receipt signed by the Complainant or a return receipt for delivery of certified mail, whether or not signed, will be sufficient proof of time of delivery for the summary of the informal discussion. The written request shall specify the reasons for the Grievance and the action of relief sought from AMHA. Exhibit B, attached, is a sample request form for a formal hearing.

B. **Failure to Request a Formal Hearing**: [24 CFR 966.55(c)]

If the Complainant fails to request a hearing within ten (10) work days after AMHA's issuance of the summary of the informal hearing, AMHA's decision rendered at the informal hearing becomes final. AMHA is not obligated to offer the Complainant a formal hearing unless the Complainant can show good cause why he failed to proceed in accordance with this procedure. Failure to request a Grievance Hearing does not affect the Complainant's right to contest AMHA's decision in a court hearing.

C. <u>Before the Formal Hearing is Held</u>:

1. **Escrow Account** [24 CFR 966.55(e)]

Before a hearing is scheduled in any Grievance involving the amount of rent which AMHA claims is due under the lease, the Complainant shall pay to AMHA an amount equal to the rent due and payable as of the first of the month preceding the month in which the act or failure to act took place. The Complainant shall, thereafter, deposit the same amount of the monthly rent in an escrow account monthly until the complaint is resolved by decision of the Hearing Officer. Any interest earned on the escrow account shall be retained by AMHA to pay for administrative expenses.

Failure by the Tenant to make the required escrow deposit terminates the Grievance Procedure and AMHA will proceed with filing an eviction action against Tenant in the appropriate Court.

- 2. **Examination of Records**. The Complainant may examine all the AMHA documents including records and regulations that are directly relevant to the Grievance before the formal hearing is held. AMHA shall provide copies at the expense of Complainant. If AMHA does not make any document available for examination upon request by the Complainant, AMHA may not rely on such document at the Grievance Hearing.
- 3. **Transcript of Hearing**. The Complainant or AMHA may arrange, prior to the hearing and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of the transcript.
- D. **<u>Hearing Officer</u>**: [24 CFR 966.55(b)(ii)]

The Grievance Hearing shall be conducted by any person appointed by AMHA

E. **Scheduling the Hearing**: [24 CFR 966.55(f)]

When Complainant submits a request for a formal Grievance Hearing, AMHA will select a hearing officer in rotation from the slate of Hearing Officers. AMHA will notify the Tenant by letter of the scheduled date and time of the hearing within ten (10) work days from AMHA's receipt of the Tenant's formal hearing request.

A written notification specifying the time, place, and the procedures governing the hearing shall be delivered to the Complainant and the appropriate AMHA official. The notice may be personally delivered to the Complainant or sent by regular mail.

F. **Procedures Governing the Hearing**: [24 CFR 966.56]

The following procedures shall govern the formal Grievance Hearing:

- 1. The hearing shall be held before a Hearing Officer as described above in paragraph D. The Complainant shall be afforded a fair hearing, which shall include:
 - a. The right to be represented by counsel or other person chosen as the Complainant's representative and to have such person make statements on the Complainant's behalf;
 - b. The right to a private hearing unless the Complainant requests a public hearing;
 - c. The opportunity to examine before the grievance hearing any AMHA

documents, including records and regulations that are directly relevant to the hearing. Tenant may request copies of those documents at Tenant's expense;

- d. The right to present evidence and arguments in support of the Complainant's complaint, to controvert evidence relied on by AMHA or project management, and to confront and cross examine all witnesses upon whose testimony or information AMHA or project management relies; and
- e. A decision based solely and exclusively upon the facts presented at the hearing.
- 2. The Hearing Officer may render a decision without proceeding with the hearing if they determine that the issue has been previously decided in another proceeding.
- 3. At the hearing, the Complainant must first make a showing of an entitlement to the relief sought and, thereafter, AMHA must sustain the burden of justifying AMHA action or failure to act against which the complaint is directed.
- 4. The hearing shall be conducted informally by the Hearing Officer. Oral or documentary evidence pertinent to the facts and issues raised by the Complainant may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.
- 5. The Hearing Officer shall require AMHA, the Complainant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the Hearing Officer to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.
- 6. AMHA will provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants. If the Complainant is visually impaired, any notice to the Complainant which is required under this procedure must be in an accessible format.
- 7. The testimony at the hearing shall be recorded by AMHA. The Complainant may purchase a copy of the recording.

G. Failure to Appear at the Hearing: [24 CFR 56(d)]

If the Complainant fails to appear at the scheduled formal Grievance Hearing, the Hearing Officer may make a determination to postpone the hearing for a period of time not to exceed five business days, or may make a determination that the party has waived his/her right to a hearing.

Both the Complainant and AMHA shall be notified of the determination by the Hearing Officer. A determination that the Complainant has waived his right to a hearing shall not constitute a waiver of any right the Complainant may have to contest AMHA's disposition of the Grievance in a court.

H. **Decision of the Hearing Officer**: [24 CFR 966.57]

1. The Hearing Officer shall prepare a written decision, together with the reasons for the decision within ten (10) work days after the hearing. A copy of the decision shall be sent to the Complainant and AMHA.

AMHA shall retain a copy of the decision in the Complainant's file in AMHA's office. A copy of the decision with all names and identifying references deleted, shall also be maintained on file by AMHA and made available for inspection by a prospective complainant, his representative, or any Hearing Officer or Hearing Panel.

- 2. **<u>Binding Decision</u>**. The decision of the Hearing Officer shall be binding on AMHA which shall take all actions, or refrain from any actions, necessary to carry out the decision unless AMHA's Board determines, and promptly notifies the Complainant of its determination that:
 - a. The Grievance does not concern AMHA action or failure to act in accordance with or involving the Complainant's lease or AMHA regulations, which adversely affect the Complainant's rights, duties, welfare or status; or
 - b. The decision of the Hearing Officer is contrary to applicable federal, state or local law, HUD regulations, or requirements of the annual contributions contract between HUD and AMHA.
- 3. <u>Judicial Action</u>. A decision by the Hearing Officer in favor of AMHA, or which denies the relief requested by the Complainant in whole or in part, shall not constitute a waiver of, nor affect in any way, the rights of the Complainant to a trial or judicial review in any court proceedings which may thereafter be brought in the matter.
- 4. <u>Lease Termination</u>. If the Grievance involves a lease termination, AMHA will not issue the Complainant a notice to vacate his/her dwelling until after the Complainant has received the decision of the Hearing Officer.

If the decision is in favor of AMHA, or if he AMHA Board decides to proceed against the Complainant in spite of the decision, the Complainant

will be served with a three (3) day notice to vacate. The Complainant must then vacate the unit within the stated time or AMHA will proceed through a court of law to evict the Complainant.

V. <u>MISCELLANEOUS</u> [24 CFR 966.52]

- A. This Grievance Procedure is incorporated by reference into all leases between AMHA and Tenants.
- B. AMHA shall before amending or changing this Grievance Procedure, provide at least 30 days notice to Tenants and Resident Organization of proposed changes in this Grievance Procedure. Within the 30 day period, Tenants and the Resident Organization may submit written comments to AMHA. Such written comments shall be considered by AMHA before adoption of any changes to this Grievance Procedure.
- C. AMHA shall furnish to each Tenant and the Resident Organization a copy of this Grievance Procedure.

VI. <u>INCORPORATION OF GRIEVANCE PROCEDURE IN LEASE AGREEMENT</u> [24 CFR 966.52(B)]

- A. The AMHA Public Housing Grievance Procedure shall be incorporated by reference in all tenant dwelling leases.
- B. AMHA shall furnish a copy of the Public Housing Grievance Procedure to all AMHA Property Managers which will be available for review by all tenants an resident organizations.

Notes:

The meeting opened with Prayer and the Pledge of Allegiance at 10:06.

Marcie Bennett made the motion, (Mary Conway, 2nd), to accept the minutes into record as read. The Ayes have it.

Inese Alvarez

Marcie also made the motion, (Judy Mansfield, 2nd), to accept the Petty Cash report into record, subject to audit. The Ayes have it.

Judy Mansfield made the motion, (Marcie Bennett, 2nd) that since we didn't appoint a Nomination Committee at the July meeting as the By-Laws require, we suspend the A-CAN By-Laws for this year requiring a Nomination Committee. We should just take nominations from the floor at the October meeting when elections for Vice President and Treasurer are to be held. The body voted unanimously to do this.

Inese Alvarez spoke on a collaboration between A-CAN and RSVP, since A-CAN is a non-profit organization. She gave examples of situations A-CAN members could get involved in the Community. It takes only 40 hours, in a year, to be invited to the nice dinner that RSVP puts on for its Volunteers every year. She explained that there is an insurance policy taken out on every volunteer, for when they are on RSVP business. She explained a few more things about RSVP, and what it does in the Community. The body was asked if they would be in favor of joining forces with RSVP, and we all said YES.

Inese will get an MOU, "Memo of Understanding", between RSVP and A-CAN this coming week, and we will begin participating in RSVP functions right away.

Laura Williams, AMHA Construction Dept. Director, made a presentation to A-CAN of the revised Annual Plan. She told of AMHA's plan to reduce the number of apts at Saferstein Tower I & II from 345 units, to 338 units. First floor apts are being eliminated, turned into storage, barber shops, whatever. This change to first floors is being done at various high-rises in AMHA. In Cuy Falls, AMHA owns some vacant land that they plan to sell. And, at Summit Lake, there are some lake side apartments that are sinking. AMHA would like to demolish these.

Cathie Finn, from AMHA's RSS, announced that she needs A-CAN volunteers to do some cutting and pasting of things, as the Simulation Kits for Bridges Out of Poverty are ready to be put together. She passed around a sheet for people to sign up to be these volunteers. Next week, she will call people to come do that cutting & pasting. On Sept. 22, there will be the first rehearsal of this program, from 10am to Noon.

The 50/50 Raffle was worth \$11.00 for the winner, Marcie Bennett. A-CAN got the other \$11.

As our President had to leave the meeting early, our Vice President, Marcie Bennett, called the meeting adjourned at 11:55am. Then lunch, provided by AMHA, was from Noon to 1pm.

Affirmatively Furthering Fair Housing

Under the Section 808(e)(5) of the Fair Housing Act, HUD is obligated to affirmatively further fair housing. HUD requires the same of its funding recipients. Therefore, Akron Metropolitan Housing Authority (AMHA) will continue to affirm our fair housing practices and oblige any new requirements by HUD to affirmatively further fair housing opportunities for classes protected under the Fair Housing Act. Protected classes include race, color, national origin, religion, sex, disability, familial status, and ancestry.

Listed below are some of the specific steps to promote Affirmatively Furthering Fair Housing:

- Impediments to fair housing choice that have been identified by our jurisdiction's Analysis of Impediments (Al); Through a series of meetings and presentations dealing with issues of impediments to fair housing, a Fair Housing Task Force was established to develop a Fair Housing Action Plan. The first meeting held on June 21, 2000 was an introduction and overview on the Analysis of Impediments (AI) and the need for a Fair Housing Task Force. Subsequent meetings were held on July 20, August 10, August 31 and September 21, 2000 including an update presented to the Consolidated Plan Needs Meeting of August 22, 2000. AMHA was and remains an active member of this committee. Four (4) additional meetings were held on October 18, November 14, December 20 of 2000 and January 31, 2001 to craft the Plan based upon information gathered.
- The City of Akron's Planning Department presented the Analysis of Impediments (AI) and Action Plan to Akron Planning Commission on October 20, 2000 along with the 2001 Consolidated Plan; the two documents were also presented to Akron City Council on November 6, 2000. The AI and Plan were submitted to the Department of Housing and Urban Development on November 15, 2000. Since that time the process has continued and the initial submission of Akron's Identification of Impediments to Fair Housing Action Plan Matrix, as submitted to HUD, has been updated. The latest was sent to HUD in November 2010 (See Identification Of Impediments To Fair Housing And Action Plan Matrix).
- AMHA's Public Housing Agency Plan lists supporting documentation available for review including Fair Housing Documentation. Records reflecting that the PHA has examined its programs or proposed programs, identified any impediments to fair housing choice in those programs, addressed or is addressing those impediments in a reasonable fashion in view of the resources available, and worked or is working with local jurisdictions to implement any of the jurisdictions' initiatives to affirmatively further fair housing that require the

PHA's involvement. AMHA's most recent Public Housing Agency Plan was submitted to HUD in April 2010 and approved October 2010.

- AMHA continues to encourage and promote the benefits of moving to lower poverty neighborhoods through its de-concentration and income mixing analysis. Four properties are targets for de-concentration. The analysis revealed that 3 properties are below 85% of the average income for all covered developments, while 2 properties are 115% above the average income for covered developments. The optimum range of balance for de-concentration must fall within 85 to115% of the average income for all covered developments Percentages below the 85 or above the 115 must be addressed.
- The Admissions and Continued Occupancy Plan for the Public Housing Program is designed to demonstrate that the PHA is managing its program in a manner that reflects its commitment to improving the quality of housing available to its public, and its capacity to manage that housing in a manner that demonstrates its responsibility to the public trust. In addition, this Admissions and Continued Occupancy Policy is designed to achieve the following objectives:

To provide improved living conditions for extremely low and low income families while maintaining their rent payments at an affordable level.

To operate a socially and financially sound public housing agency that provides decent, safe, and sanitary housing within a drug free, suitable living environment for tenants and their families.

To avoid concentrations of economically and socially deprived families in any one or all of the HA's public housing developments.

To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to PHA employees.

To attempt to house a tenant body in each development that is composed of families with a broad range of incomes and rent-paying abilities that are representative of the range of incomes of low-income families in the PHA's jurisdiction.

To provide opportunities for upward mobility or families who desire to achieve self-sufficiency.

To facilitate the judicious management of the PHA inventory, and the efficient management of the PHA staff.

To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

• It is the policy of the Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws and with rules and regulations governing Fair Housing and Equal Opportunity in housing and employment. The PHA will comply with all laws relating to Civil Rights, including:

Title VI of the Civil Rights Act of 1964

Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)

Executive Order 11063

Section 504 of the Rehabilitation Act of 1973

The Age Discrimination Act of 1975

Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)

Any applicable State laws or local ordinances and any legislation protecting individual rights of tenants, applicants or staff that may subsequently be enacted.

• The PHA shall not discriminate because of race, color, sex, religion, familial status, disability, national origin, in the leasing, rental, or other disposition of housing or related facilities, including land, that is part of any project or projects under the PHA's jurisdiction covered by a contract for annual contributions under the United States Housing Act of 1937, as amended, or in the use or occupancy thereof.

Posters and housing information are displayed in locations throughout the PHA's office in such a manner as to be easily readable from a wheelchair.

 To further its commitment to full compliance with applicable Civil Rights laws, the PHA will provide Federal/State/local information to public housing residents regarding "discrimination" and any recourse available to them if they believe they are victims of discrimination. Such information will be made available to them during the resident orientation session.

All applicants applying for housing at AMHA are informed at the housing orientation of their Fair Housing rights and how to report if they believe they have been discriminated against. The Applicant/Tenant Certification with the Fair Housing and Equal Opportunity National Hot Line contact information is signed and a copy is included in the applicant file. The Housing Choice Voucher briefing packet includes the HUD-903 Housing Discrimination Complaint form and "What Is Housing Discrimination?" is

included in the PowerPoint presentation. Public Housing residents are advised of the grievance process at lease signing.

• The Akron Metropolitan Housing Authority's Central Office, 100 W. Cedar St., Akron, Ohio is accessible to persons with disabilities. Accessibility for the hearing impaired is provided by Ohio Relay; 1 (800) 750-0750.

The PHA shall not, on account of race, color, sex, religion, familial status, disability, national origin, and ancestry:

Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to lease housing suitable to its needs;

Provide housing that is different from that provided to others;

Subject a person to segregation or disparate treatment;

Restrict a person's access to any benefit enjoyed by others in connection with the housing program;

Treat a person differently in determining eligibility or other requirements for admission; or

Deny a person access to the same level of services.

- The PHA shall not automatically deny admission to a particular group or category of otherwise qualified applicants (e.g., families with children born to unmarried parents, elderly families with pets).
- AMHA staff attends annual Fair Housing training to proactively address AMHA responsibility to identify and remedy fair housing issues. FSS staff also attends training to address removing barriers to self sufficiency sponsored by the local Community Legal Aid. Family Self Sufficiency staff meets weekly to discuss the Family Self Sufficiency (FSS) program and client case management. FSS staff encourages participants to become knowledgeable of their rights and how to confidently address issues whether it is accessing services, achieving employment, or addressing fair housing issues. When the FSS Coordinator is made aware of potential fair housing discrimination against FSS participants, the Coordinator and staff will encourage the participant in the reporting of the same, providing support and direction throughout the process, as needed.
- It is the policy of the Akron Metropolitan Housing Authority to provide courteous and efficient service to all applicants for housing assistance. In that regard, the PHA will endeavor to accommodate persons with disabilities, as well as those persons with language and literacy barriers.

This policy is applicable to all situations described in this Admissions and Continued Occupancy Policy when a family initiates contact with the

PHA, when the PHA initiates contact with a family including when a family applies, and when the PHA schedules or reschedules appointments of any kind.

It is the policy of this PHA to be service-directed in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to the families within our jurisdiction.

The PHA's policies and practices will be designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services. The availability of specific accommodations will be made known by including notices on PHA forms and letters to all families, and all requests will be verified so that the PHA can properly accommodate the need presented by the disability.

With respect to an individual, the term "disability," as defined by the 1990 Act means:

A physical or mental impairment that substantially limits one or more of the major life activities of an individual;

A record of such impairment; or

Being regarded as having such impairment.

The Housing Authority utilizes organizations which provide assistance for hearing- and sight-impaired persons when needed.

The HA will refer families who have persons with disabilities upon their request to agencies in the community that offer services to persons with disabilities.

The Akron Metropolitan Housing Authority will adhere to our mission of building stronger neighborhoods by providing housing options and professional services for eligible residents of Summit County in partnership with the greater community and will affirm our fair housing practices and actively address fair housing issues.

The above information is true and correct to the best of my knowledge.

Signed this February 7, 2011

The City Law Department should determine: 1. the limits of the City's legal authority to enact legislation that supports and is not in conflict with state law regulating the conduct of parties who may be involved in predatory lending practices; 2. the extent to which the Attorney General's enforcement power under state law could be delegated to municipalities; 3. if the City can initiate litigation under S.B. 185; 4. if the City can issue cease and desist orders and injunctions to stop lending practices prohibited under S.B. 185; and 5. when the city has standing to take legal action against entities that engage in land scam and predatory lending practices that are	City Council should request the City Law Department to research what other Ohio municipalities and counties have done to address the problem of land scams and predatory lending, as well as to counter the effects of these problems. Effects include: reduction of the tax base and tax revenue; loss or destruction of community assets in the form of vacant homes, reduction of the appreciation rate of real property; increased demand for service from the clerk's office, the courts and the Sheriff's Department; downward pull on the local economy as a result of the loss of homeowner purchasing power redirected to meet unwarranted delt obligations.

Actions to Eliminate Identified Impediments Primary Responsibility		Utilize media resources to promote Fair Housing and increase awareness of fair lending issues and problems. Utilize grass-roots groups, block clubs and church groups to get education message out. Possible forum or ad campaign with all units of government in Summit County to get message across.	Utilize public forums to disseminate fair housing literature (lending, credit information, emergency assistance).	Presentation on these subjects will be crafted in simple language, clearly structured and graphically displayed (e.g. audio-visual display).	FHCS will utilize television and radio Public Access, Op-Ed pages in newspapers and special reports in local magazines to periodically promote Fair Housing/Fair Lending policies; FHCS should pursue additional funding.	Actively participate in and support community-based efforts and programs designed to inform and assist people victimized by or at risk from land scams and predatory mortgage lending as well as the effects of these problems on the community. Encourage public entities to seek federal funding in support of these activities (e.g. federal reserve and Federal Home Loan Bank programs.
Identified Impediments	2. Education and Outreach	A. Except for Fair Housing month, there is very little information to promote awareness of fair housing and fair lending issues and policies.	B. Effective service by agencies to persons with disabilities in securing affordable housing is hampered by ineffective communication.	C. Presentations on complicated issues relating to lending or credit are difficult to understand by the intended consumer.	D. Actions to Eliminate Identified Impediments	Continue review of local lending practices using Home Mortgage Disclosure Act (HMDA) Data. Public forums accussing reports will be held annually. Government entities could influence banks by not working with banks.	Outreach by banks will be continued in poor and minority communities especially to distinguish themselves from predatory lending facilities. Community Reinvestment Officers are encouraged to become more creative in promoting Bank programs.	Banks will partner with established neighborhood organizations to promote lending information.	Community Development Corporations will work to become loan originators in partnership with lending institutions.	Penalty provisions of CRA should be strengthened and enforced. Local organizations will publicize poor records locally and communicate objections to regulatory agencies.	Suspected Predatory Lenders/practices will be monitored and reported to the Better Business Bureau. Years after the formation of the FHTF, Predatory Lending continues to be a problem.	The City of Akron and Summit County should sponsor and convene a meeting with conventional lenders to discuss and develop an action plan to deal with land scams, predatory mortgage lending and foreclosures. The action plan should include recommendations on creating either lending opportunities or lending products suitable for homebuyers and owners eligible for mortgage loans in the sub-prime market and creating a "Best Practices" protocol to be used by local lenders for the benefit of homebuyers and owners in the sub-prime market.
Identified Impediments	A. Influencing lending activity by area lenders is limited because public information on lending activity is not widely known.	B. The lack of bank branches in minority or low-income neighborhoods reduces the opportunity for low income or minority persons to know of and take advantage of lending options.	C. Banks and other financial institutions do not know the market in poor and minority census tracts.	D. Residents of poor and minority census tracts do not trust banks and other financial institutions.	E. Regardless of their Community Reinvestment Act (CRA) ratings, banks are allowed to operate business as usual without repercussions.	F. Subprime lenders operate in neighborhoods without monitoring from any agency. The marketing used, especially in poor and minority communities, have made these communities particularly vulnerable to high interest rates, and poor value of service, i.e. (deceptive practices), i.e. high fees, high loan to value ratio, over appraisals, large number of foreclosures.	G. Conventional lenders have not taken the lead to actively reduce the recurrence of land scams, predatory mortgage lending and foreclosures.
